"Lives of great men all remind us
We should make our lives sublime,
And departing, leave behind us
Footprints in the sands of time."

The Board of Education has endeavored to obtain the finest instructors and the best equipment in their power in order to make Danville High School one of the foremost high schools in the state. Through their cooperation the school has been able to maintain its high standards.

MR. C. E. VANCE
UNIVERSITY OF ILLINOIS
Superintendent

Mr. Vance has endeared himself to each student in Danville High School. He takes an active interest in all the projects of the school and is always ready to give whatever aid is needed.

The class of 1931 is indeed grateful to Mr. Vance for all that he has done for D. H. S.

MR. J. E. WAKELEY, M. A.
UNIVERSITY OF ILLINOIS; WABASH COLLEGE
Principal

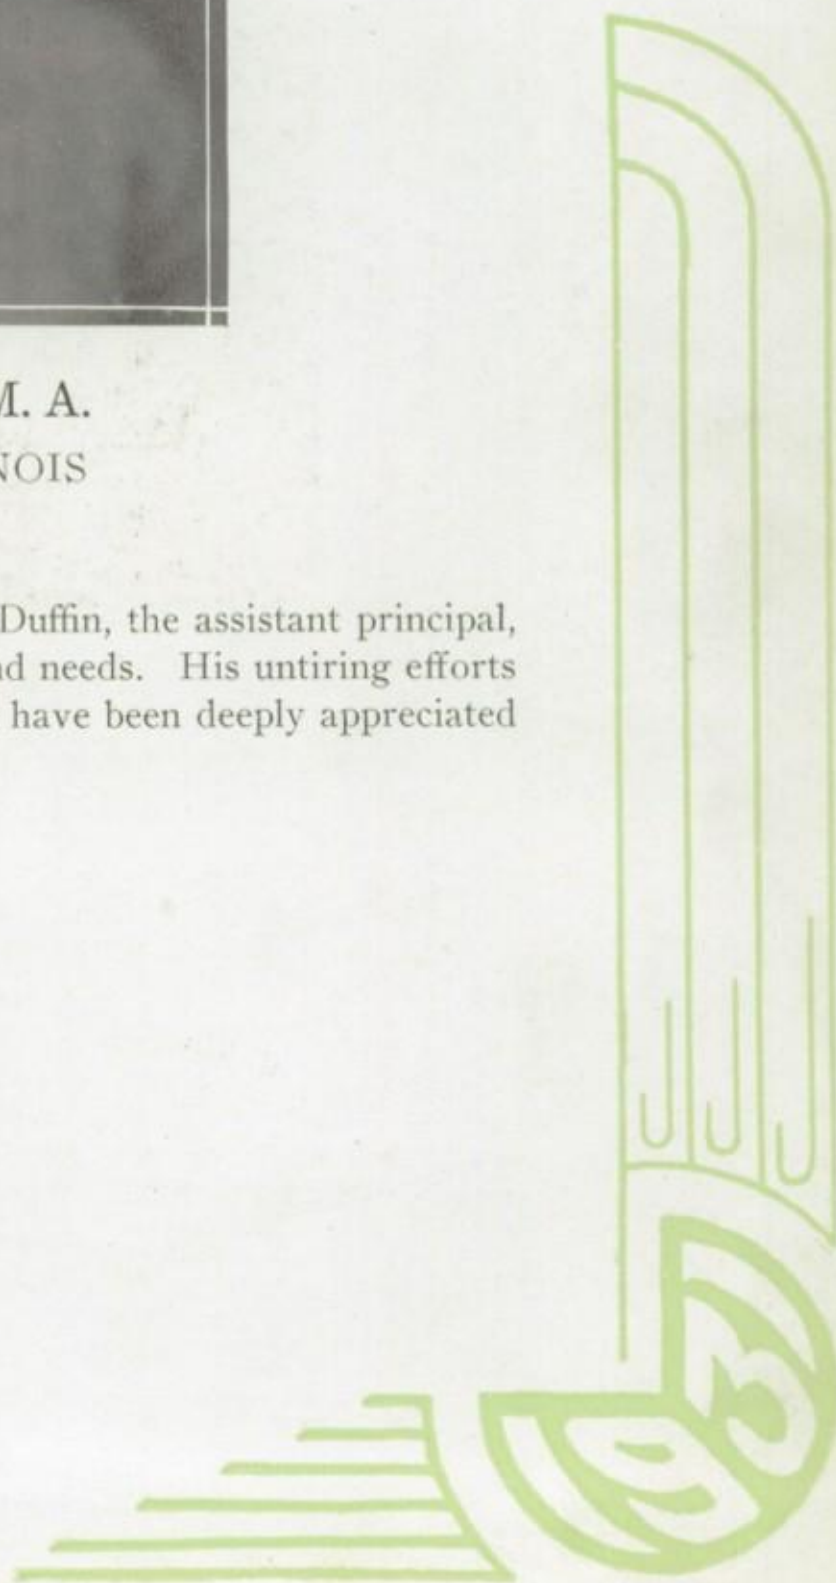

"Danville High School" is the aim Mr. Wakeley has had this year. From his long association with the students and his understanding of their problems he has made D. H. S. more than ever "our" school. Every student feels that he has a friend in Mr. Wakeley.

The class of 1931 deeply appreciates all that he has done, and will carry with us into the future the ideals which he has placed before us.

MR. R. M. DUFFIN, M. A.
UNIVERSITY OF ILLINOIS
Assistant Principal

Throughout our four years in high school Mr. Duffin, the assistant principal, has met and sympathized with our daily problems and needs. His untiring efforts to solve these problems and his wise and fair advice have been deeply appreciated by the class of 1931.

GERTRUDE PAYNE, Ph.B., A.M.

Dean of Girls

All senior girls have come in close contact with Miss Payne, our Dean of Girls and Girls' Club Adviser. She has been an understanding friend and a ready and willing adviser to all of us. These things together with her pleasant companionship, have made our associations with her a pleasant memory of our high school days.

DONALD V. SCHOOLCRAFT, M.A.

Dean of Boys

Though Mr. Schoolcraft has held the position of Dean of Boys for little more than a year, he has won the friendship and cooperation of all the boys in school. Every senior boy considers him a personal and sympathetic friend.

Mr. Schoolcraft is also the adviser of the Booster Club and has guided it through a successful year.

In Memoriam

So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not like a quarry-slave at night,
Scourged to his dungeon, but, sustained and soothed,
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams.

—Bryant.

GENEVIEVE BRADFORD, born November 7, 1914, died October 13, 1930. She entered Danville High School in January, 1930, from Diamond School. She was interested in swimming.

HAZEL HILL, a graduate of Tilton School, was born February 28, 1915. She belonged to the Home Economic Club and Girl's Club, and was greatly interested in music. She was a Sophomore at the time of her death, January 20, 1931.

RONALD MUIRHEAD died February 25, 1931. He had come into Danville High School in September from Douglas School. Ronald was very active in Boy Scout work. He was born August 21, 1916.

ELAINE DIXON, a graduate of Collett school, entered D. H. S. in September, 1929. She was active in Girls' Club and Girl Reserves. She was a Sophomore at the time of her death, April 5, 1931.

MISS SANDESON

Senior Adviser

Miss Sandeson has filled the position of Senior Class Adviser efficiently and creditably. The Class of 1931 has progressed greatly and accomplished much under her conscientious guidance. Her wholehearted interest and willingness to help all who came to her with their many problems have won for her the utmost respect and sincere appreciation of all who have come to know her.

History of the Class of '31

We, the class of '31 have profited greatly by our happy years spent in D. H. S. At first we were filled with awe by the strangeness of our surroundings but we soon adjusted ourselves to these new conditions. During our four years we have maintained the D. H. S. standard in the athletic and scholastic fields and we have helped to preserve the D. H. S. traditions.

Our motto, "Good Fellowship Leads Us On," typifies our attitude toward life in general. Therefore we the seniors of '31 feel that with these ideals which our high school experience has given us we are certain to attain success.

Senior Class Song

THE SPIRIT OF GOOD FELLOWSHIP

Oh! D. H. S., within your walls,
We've found a lasting spirit,
It leads us on to greater things
To deeds of might and merit;
Throughout our happy high school days
We've planned and worked and won
In the spirit of good fellowship,
And now those days are done.

Oh! D. H. S. in days to come
Our thoughts will often turn
To you, dear school, where we once came
To work and play and learn;
Where we made many friendships true
And fame and honor won,
In the spirit of good fellowship
That still will lead us on.

CHORUS

But come let's all be jolly,
And raise our voices high
In the spirit of good fellowship,
And never let it die.

—GENE SHERRITT.

The Junior Class

In the fall of 1928 the Freshman class was organized for the first time as a class. In the three years that have passed, the members of this class have become active participants in school organizations. They have made their aims point toward living up to the motto of the school, "Danville High". Through their activities and their spirit of cooperation, they have made a place for themselves in D. H. S. They intend now to be worthy successors of the graduating senior class.

MR. JOHNSON

Junior Adviser

The Junior Class owes much of its success to the able leadership of Mr. Johnson, the adviser. He will be remembered as a friend and a willing helper to all those who came to him for assistance.

The Sophomore Class

The Class of '33 has endeavored not only to maintain the prestige held by former Sophomore classes, but to increase it. The members, having gotten over their Freshman timidity, have had their first taste of real school life. The taste has proved a stimulant toward worthy accomplishments in this school year—and in the future.

MISS LARSON

Sophomore Adviser

Not all of the many members of the Sophomore class may have come in contact with Miss Larson. Yet they cannot have helped knowing that she stood ready to help them in every way possible. It is her eagerness to help and her understanding advice that have won her a high place in their hearts.

Front Row—Jack Arnold, Secretary; Phil Yeager, President; Rolla McDonald, Rep. Student Council.

The Freshman Class

At the termination of a successful gradeschool career, the Class of 1934 entered upon its first year in Danville High School. As one of the largest classes ever to come into the school, it has brought with it an eagerness for attainment seldom found. These Freshmen promise much in the way of accomplishment, leadership, and scholarship. They have succeeded unusually well in keeping their number intact, which has been their aim for this year.

Freshman, Onward and Upward!

MISS PARKER

Freshman Adviser

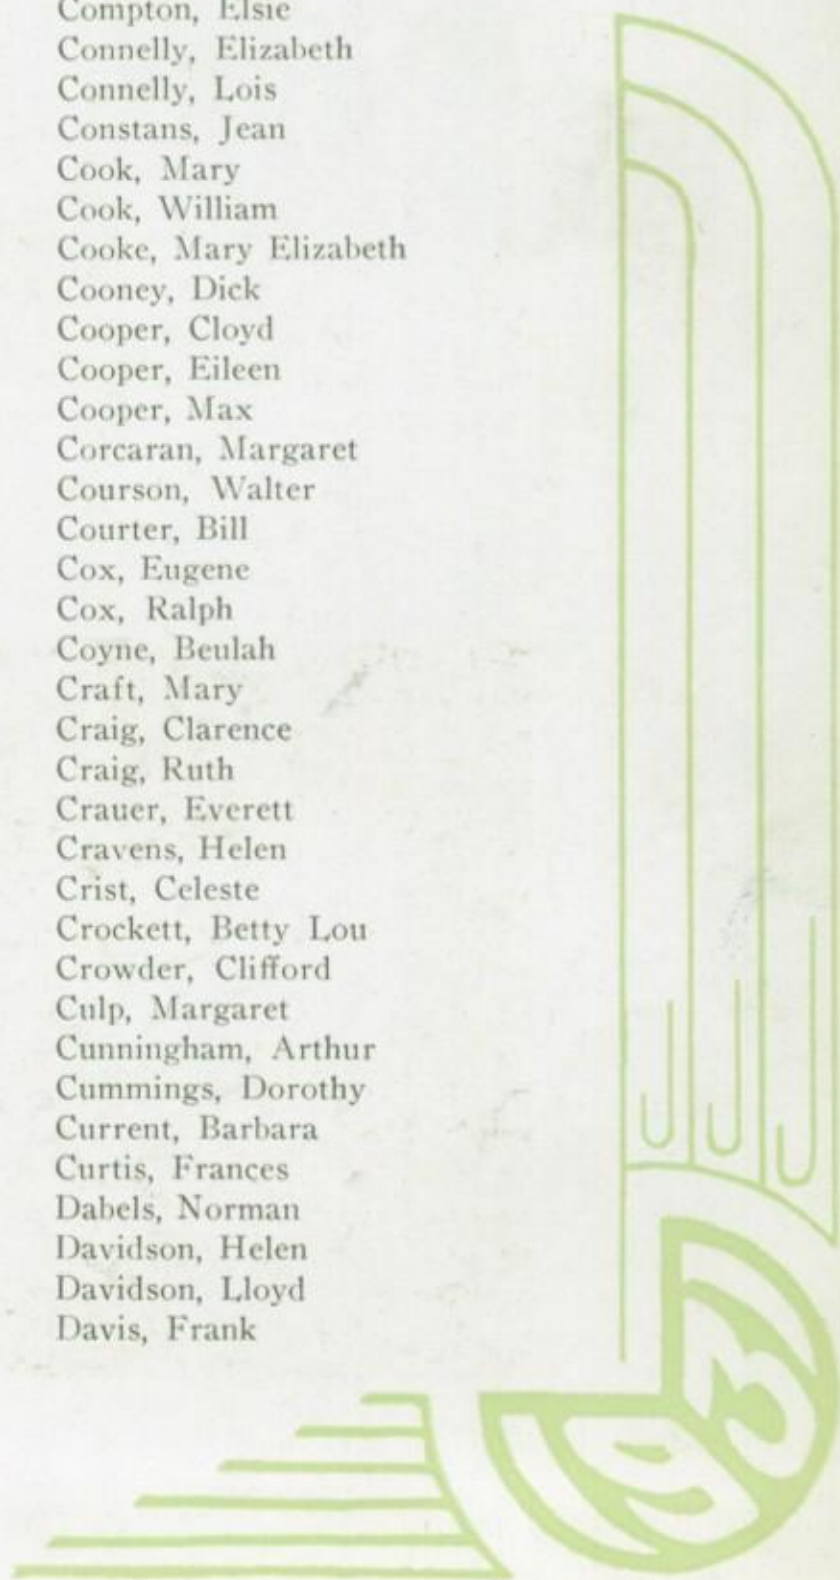

As our friend and helper, Miss Parker has done everything possible in behalf of the Freshmen. Always willing to give her advice, she has obtained the respect and high esteem of the entire class.

MR. WILLIAM HOFF

Director of Athletics

In the eyes of many people Mr. Hoff is the symbol of sportsmanship and a great leader of youth. He is a builder of character as well as of athletic teams. He offers to his students the stimulation of his wonderful personality and high ideals. He is looked up to by the students as a leader and an ideal to follow. Mr. Hoff has been our coach for the past seven years and has a very good record in turning out athletic teams.

MR. E. A. FIREBAUGH

Assistant Coach

In his first year as assistant coach at Danville High School, Mr. Firebaugh won the respect and loyal support of D. H. S. He has been of great assistance to Mr. Hoff, especially in football. He is the type of man to get right out and play football with the fellows so they can actually see how it is done. "Ernie," as he is known to everyone, was a former football star in D. H. S. He was especially interested in the athletic department of Danville.

BOYS' ATHLETIC ASSOCIATION OFFICERS

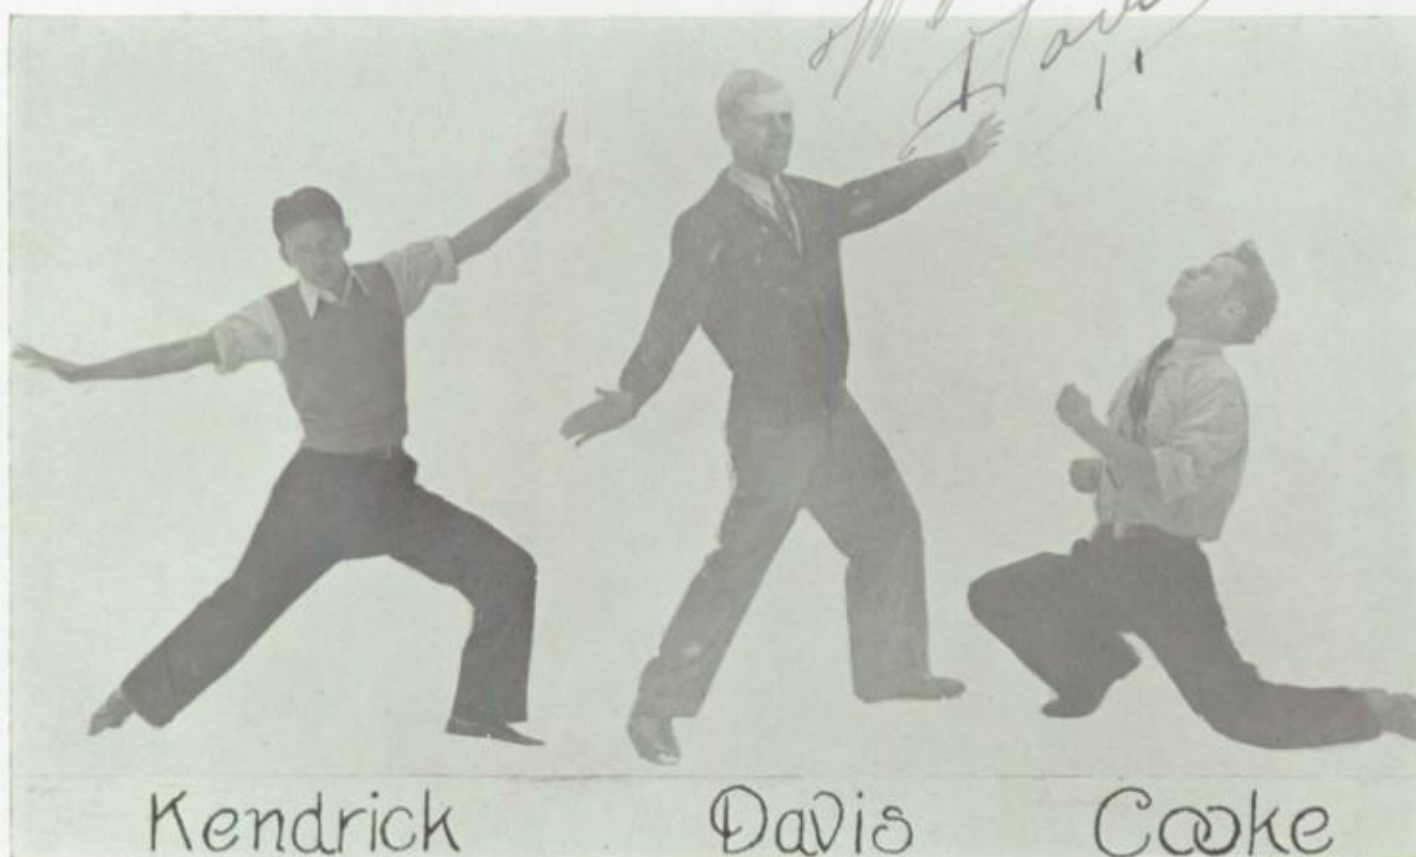

W. Blair, Advertising Manager; Mr. Hoff, Adviser; H. Stephens, Business Manager;
R. Burow, Vice-President; W. Sharp, President; A. Saikley, Secretary.

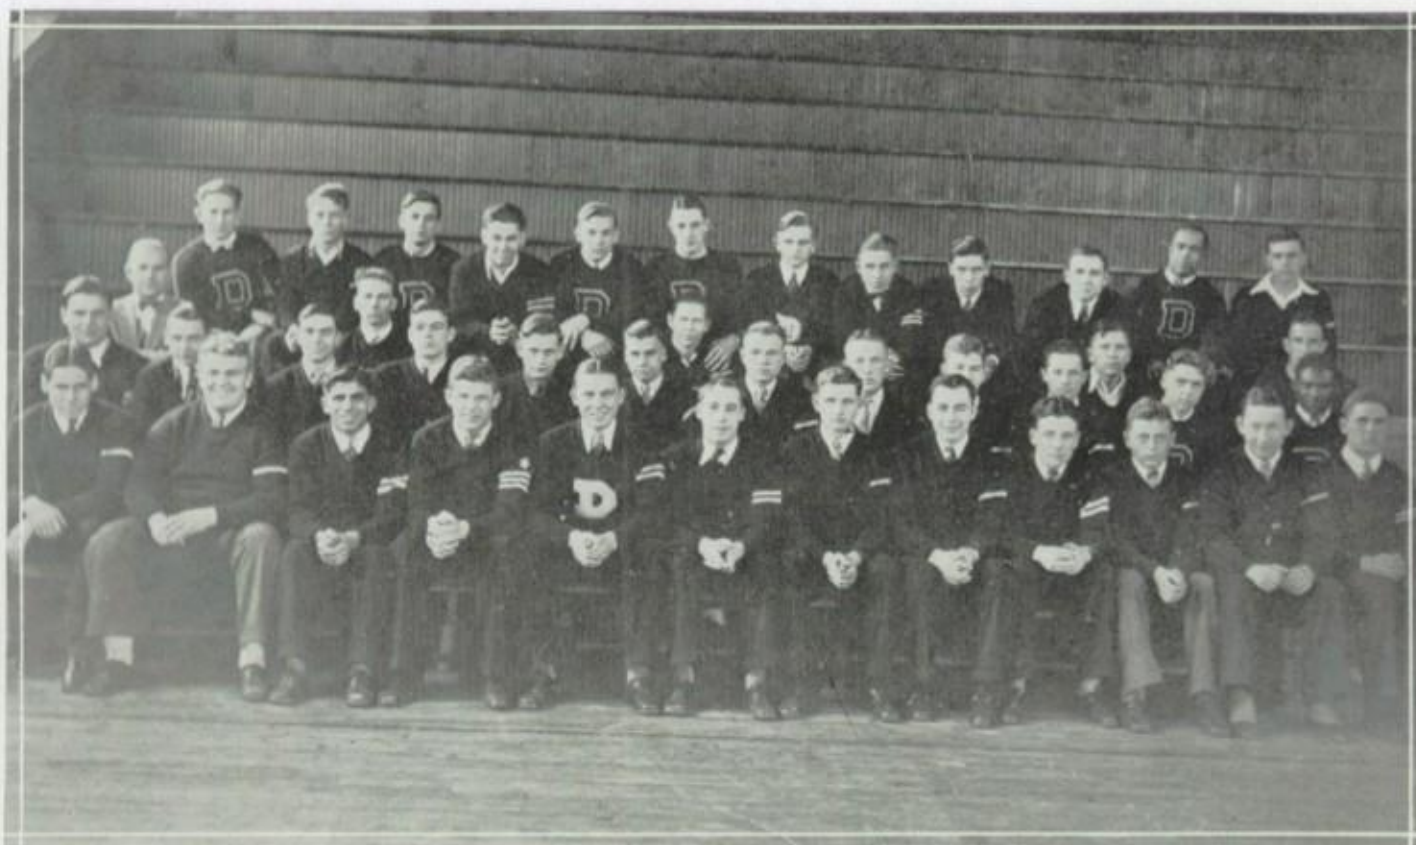

Boy's Athletic Association

The B. A. A. is a group of about 250 boys who are interested in the success of D. H. S. athletic teams. Membership to this organization is open to every boy in high school, who is interested in athletics. The chief aim of the boys is to create interest in sports and to extend and maintain a spirit of good sportsmanship in our relations with all schools.

CHEER LEADERS

"D" ASSOCIATION

Boy's "D" Association

The aim of the Boys' "D" Association in Danville High School is to encourage athletics in school and to promote clean sportsmanship. This Association is limited to those boys who have earned a "D" in some branch of sport in D. H. S.

Review of 1930 Football Season

The Danville High School football team this year was again represented by a group of midgets who were always out battling for D. H. S. This team gained the reputation of being one of the scrappiest teams ever to represent Danville. Although they won only one game all season, the teams that defeated them had a hard job on hand. They were always a constant threat. This team will be remembered for their indomitable spirit and determination.

HAVEN STEPHENS
Business Manager

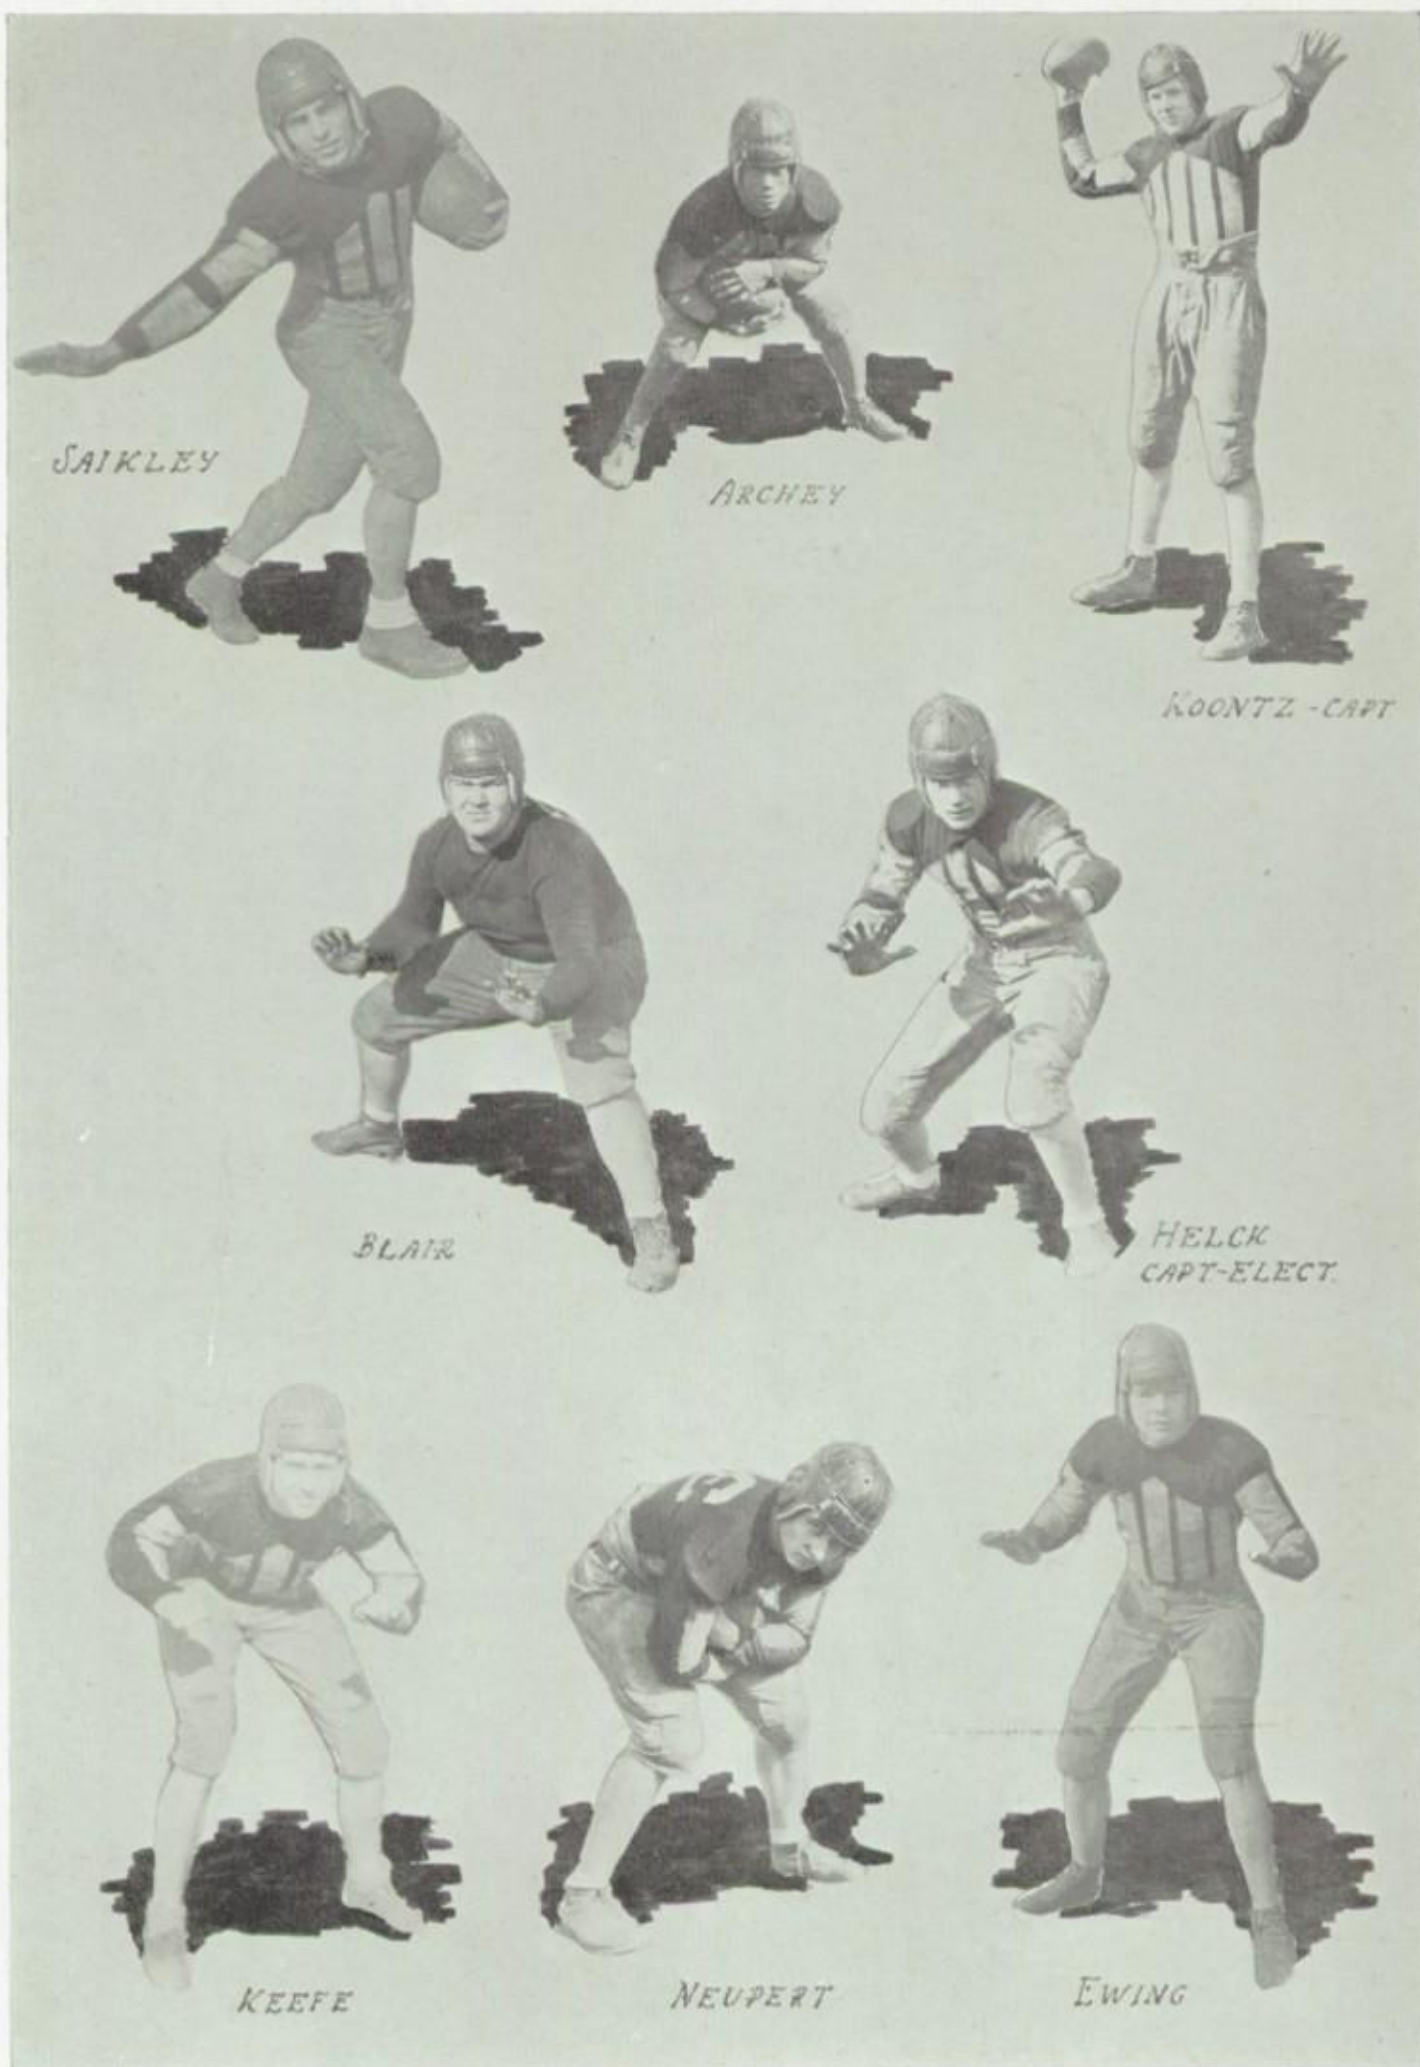

The Maroons ended the season in a blaze of glory with a remarkable victory over Parker High of Chicago. This team came to Danville without a defeat but failed to return with a clean slate.

KANKAKEE 19; DANVILLE 13

At Kankakee

The Danville Maroons played their first night game in the history of D. H. S. at Kankakee, Sept. 27. The Hoffmen out-played Kankakee the entire first half. Archey scored for Danville first and then Kankakee tied the score. Then Ewing scored on a pass from Koontz and the score stood 13-7 in favor of Danville. In the last half Kankakee resorted to passes and tied the score 13-13. In the last 2 minutes Kankakee completed a long pass and scored, winning the game 19-13. It was a hard game to lose after the Maroons played such a good brand of football.

October 4

DECATUR 40, DANVILLE 0

At Decatur

The Danville Maroons journeyed to Decatur, Oct. 4, to play their first Conference game of the season. The light Maroons proved to be no match for the heavy Decatur team. Rex, one of the outstanding athletes in the Big 12, led the way for his team. The score at the half was 20-0 in favor of Decatur. The Hoffmen came back in the second half determined to score, but the light Danville team could not penetrate the heavy Decatur line. Decatur kept on their scoring rampage and the final was 40-0.

October 11

LINCOLN 33, DANVILLE 19

At Danville

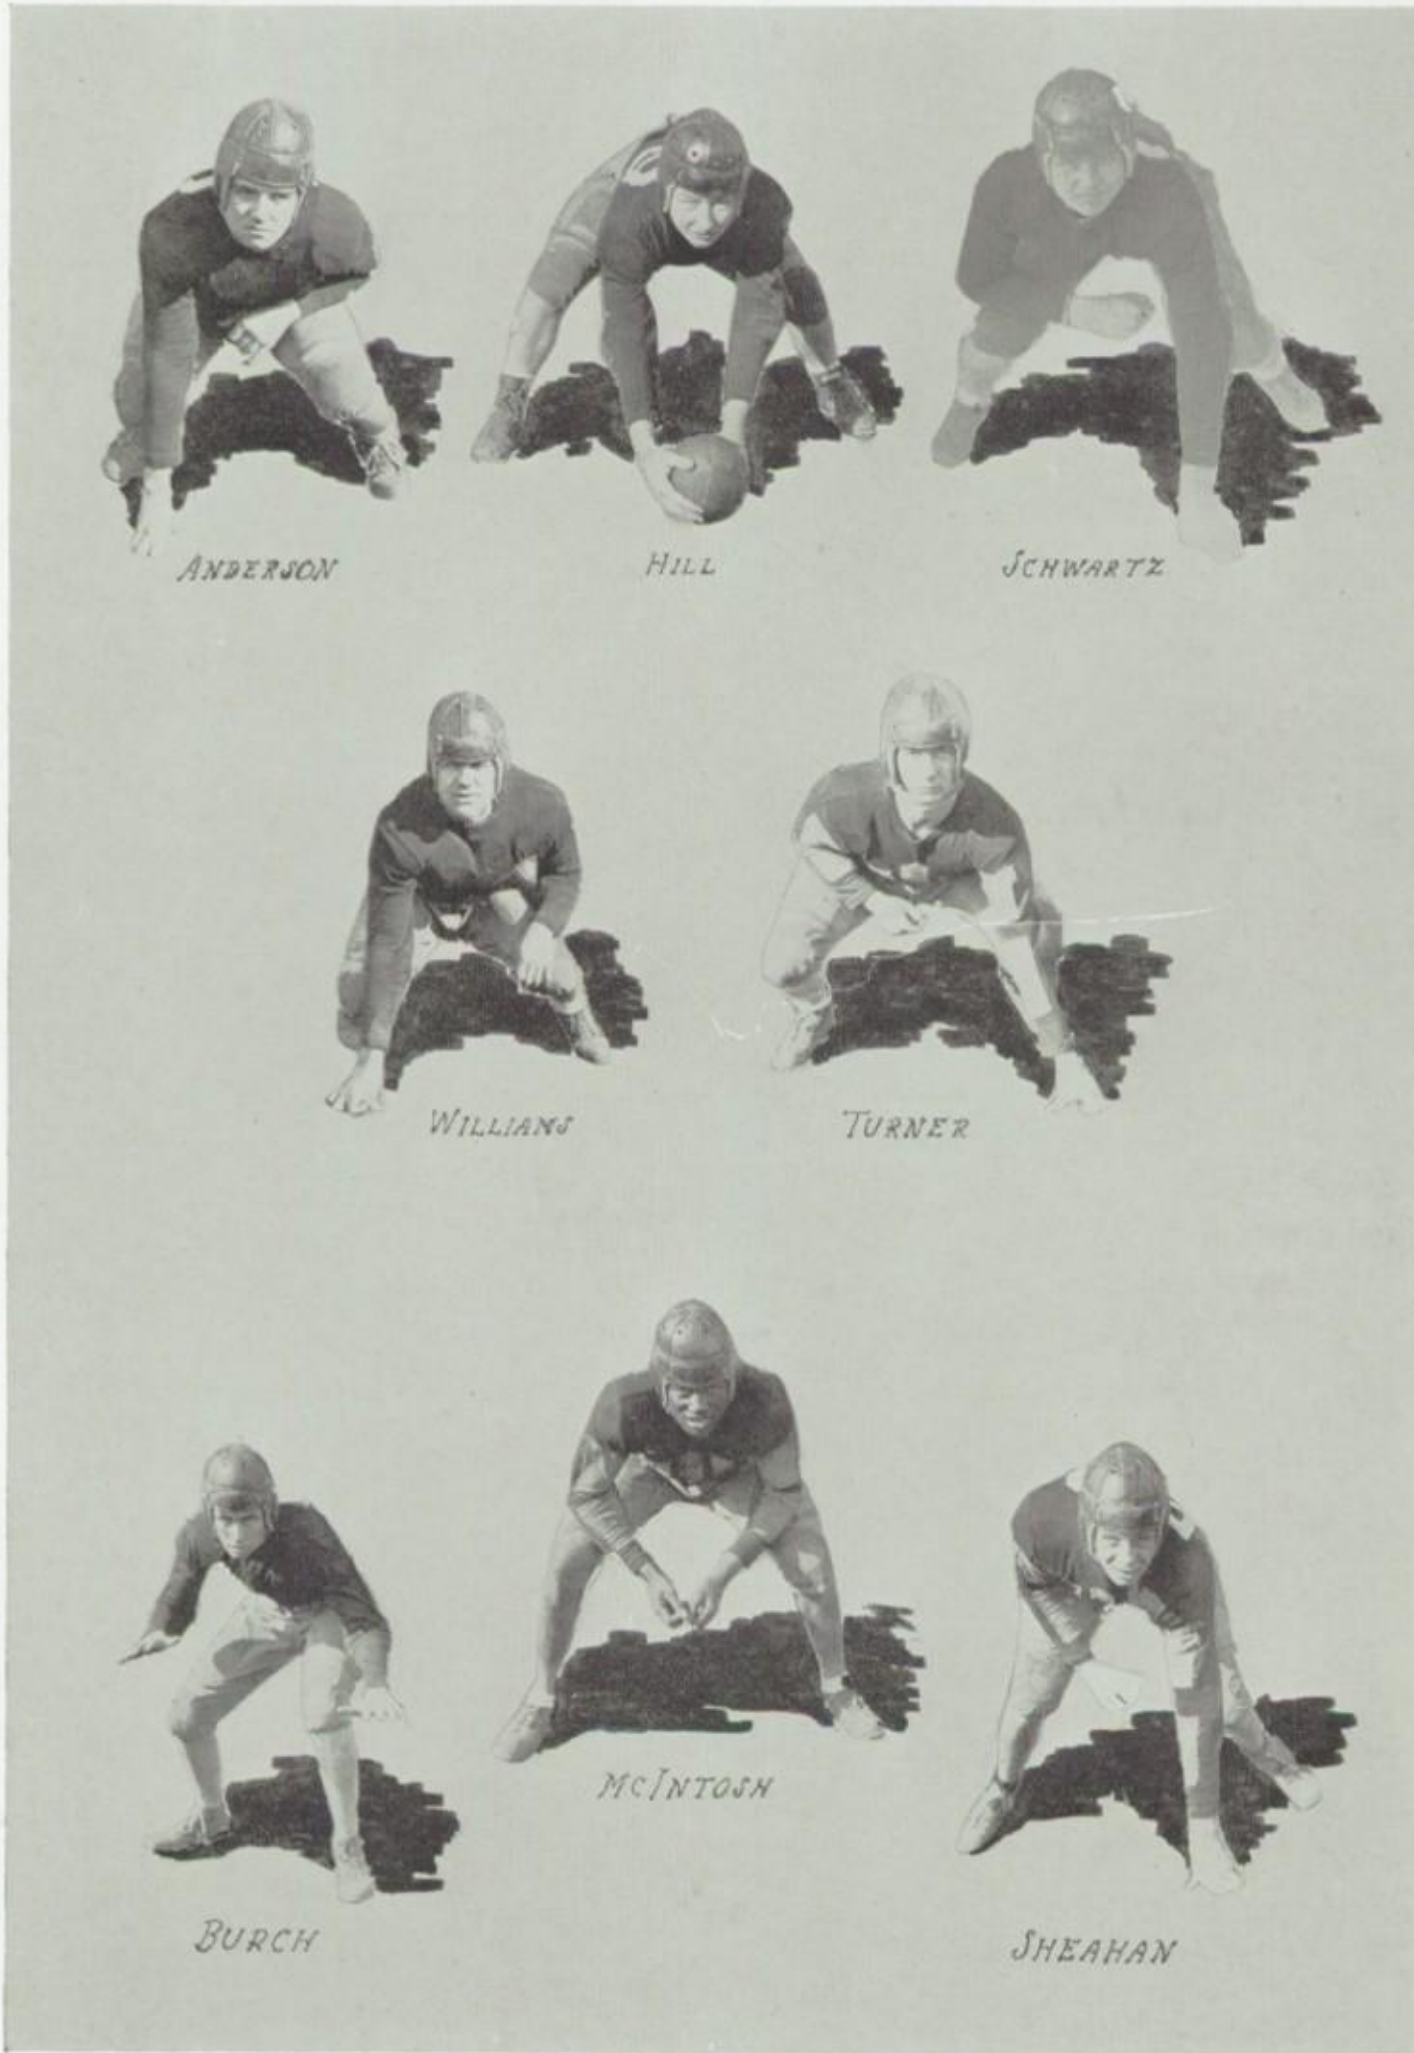

In the first home game of the season the Danville Maroons lost to the powerful Lincoln team. It seemed to be anybody's game up to the closing minutes. Keefe scored first for Danville on a pass from Koontz, but Lincoln soon tied up the score. Then Saikley scored on a long pass from Koontz and Danville led at the half 13-7. Lincoln came back strong in the last half. They scored twice in the third quarter. Then Keefe scored again for Danville and tied the score again. In the closing minutes of the game Lincoln scored twice to end the game.

October 25

MATTOON 46, DANVILLE 12

At Danville

Capt. Purvis, one of the best half-backs in the state, led Mattoon to a 46-12 victory over the Danville Maroons at the D. H. S. Stadium. The Hoffmen put up a valiant battle, but the odds were too great against them. Archey led the Maroons by scoring twice in the first half. The Hoffmen were in the game fighting every minute but the heavy Mattoon team proved to be too much for them.

SPRINGFIELD 53, DANVILLE 7

At Springfield

The Danville Maroons journeyed to Springfield to play the second night game in the history of D. H. S. The heavy Springfield team over-powered the light Maroons. The only score for Danville came in the second quarter on a pass Koontz to Ewing. From then on the Hoffmen did not threaten to score again.

November 8

URBANA 20, DANVILLE 6

At Danville

Danville met Urbana in the D. H. S. Stadium with a revamped line-up. This combination showed up well after they got started. The half ended 13-0 in favor of Urbana. It looked like a shutout until Archey got away with one of his favorite habits of a long run. He got away with a 65 yard run, scoring the only touchdown for the Maroons. The Maroons came back fighting hard but the game soon ended.

November 14

CHAMPAIGN 24, DANVILLE 6

At Champaign

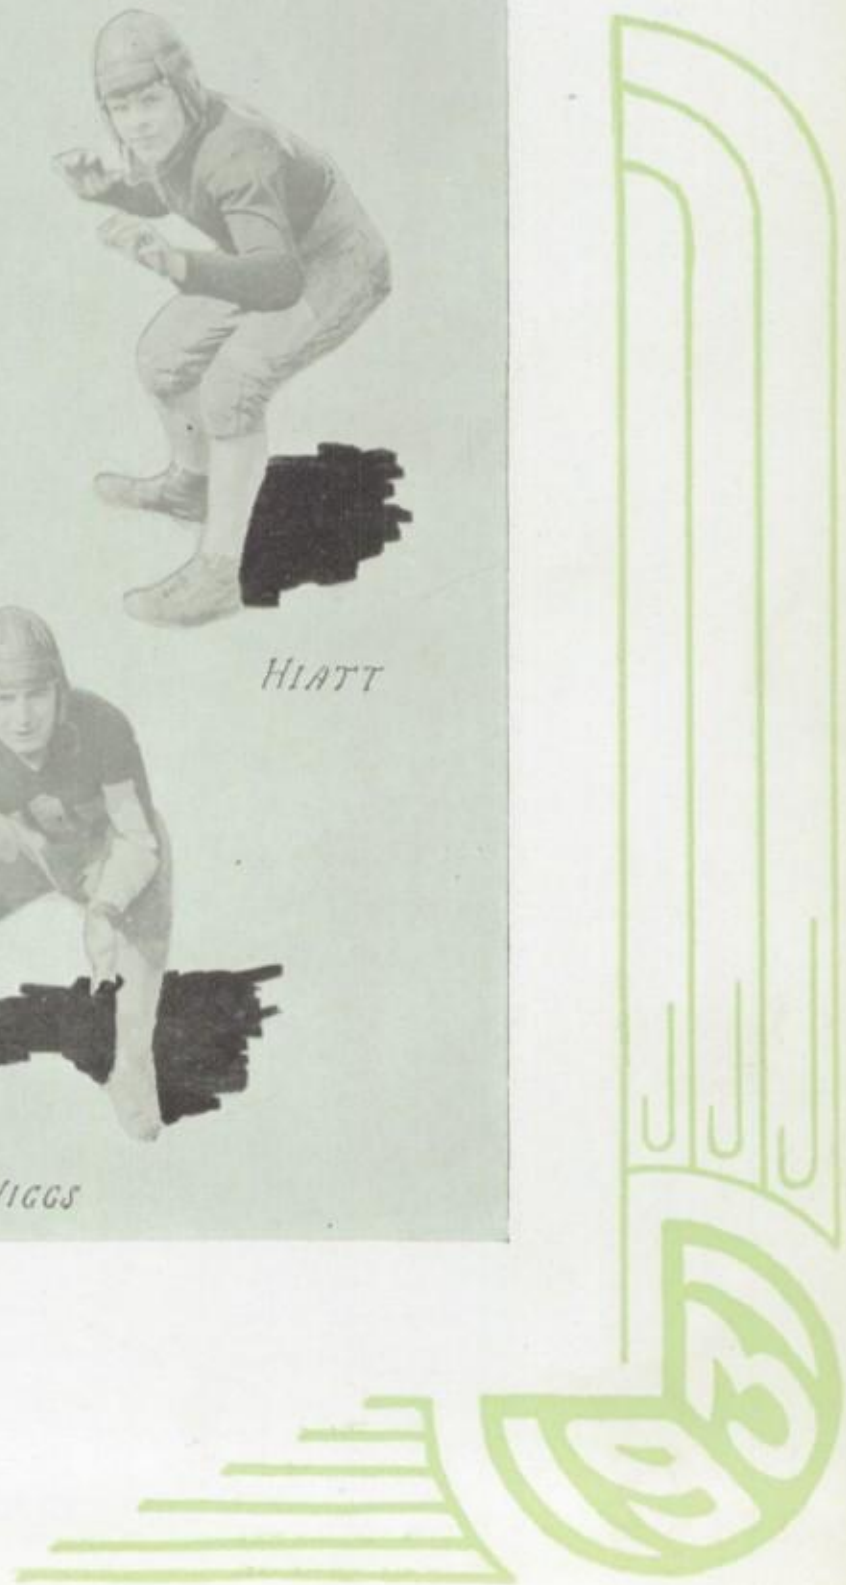

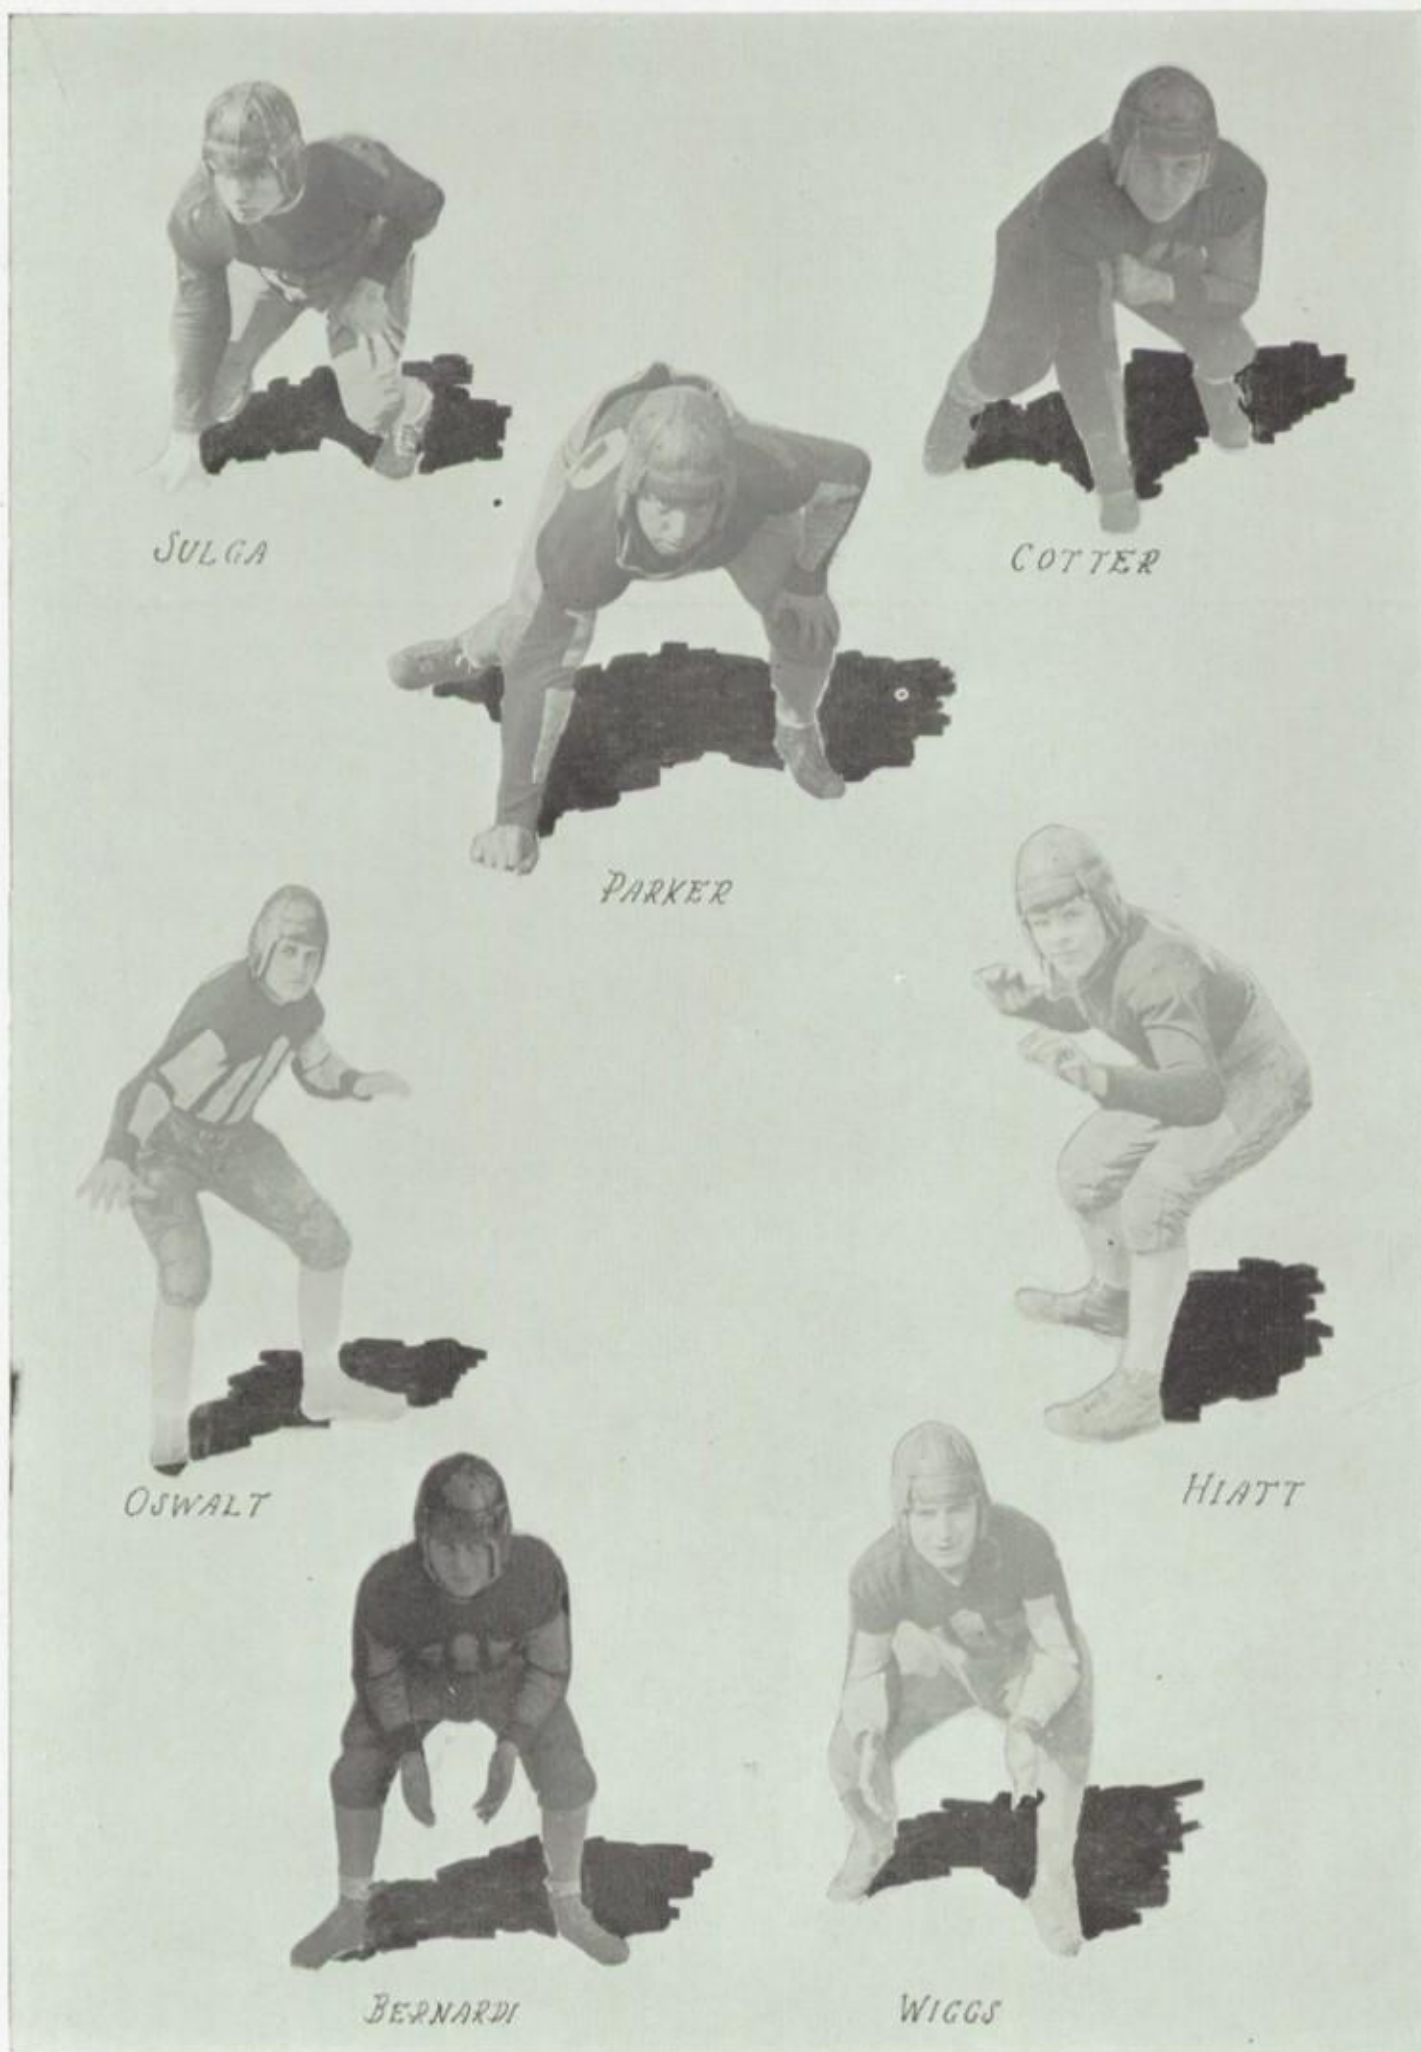

The Danville Maroons dropped their last conference game to Champaign 24-6. The Hoffmen displayed some of the best fighting of the season, but all to no avail. Although Danville failed to win, this was one of the best games they played. The score at the half was 18-0 in favor of Champaign. The Hoffmen battled Champaign on even terms the entire last half. Keefe scored the only touchdown for Danville on a pass from Koontz. A terrific fight was put on by both teams. Blair showed the way for the Maroons by playing the best game of his career.

November 27

PARKER HIGH (Chicago) 6; DANVILLE 18

At Danville

The Maroons ended their football season in a blaze of glory. They defeated Parker High on a field covered with snow and ice by the score of 18-6. Previously to this Parker had not been defeated this season. The Hoffmen, on Thanksgiving Day, were a bunch of determined boys out to win. This was the best exhibition of football the Maroons showed all season. They fought every minute, giving everything they had and were rewarded by a victory over an undefeated team. Archey was the shining light for the Maroons, scoring three touchdowns. This was the final game for 17 Seniors on the team.

Review of the 1930 Freshman Football Season

Mr. L. W. Bandy offered his services to coach a reserve football team made up of mostly freshmen and sophomores. This team had two scheduled games, both being with Champaign. The first game was played at Champaign. The Danville reserves lost by a score of 12-0. The second game was played at Danville. This game ended in a scoreless tie. A wonderful future is to be expected from most of these lads. They showed signs of much improvement and there is going to be a strong bid for a position on the varsity squad for these boys.

Review of 1930-1931 Basketball Season

The Basketball team this year had only two lettermen to start the season. As a result the team was made up of inexperienced men. At the end of the first semester two players were lost to the squad due to graduation.

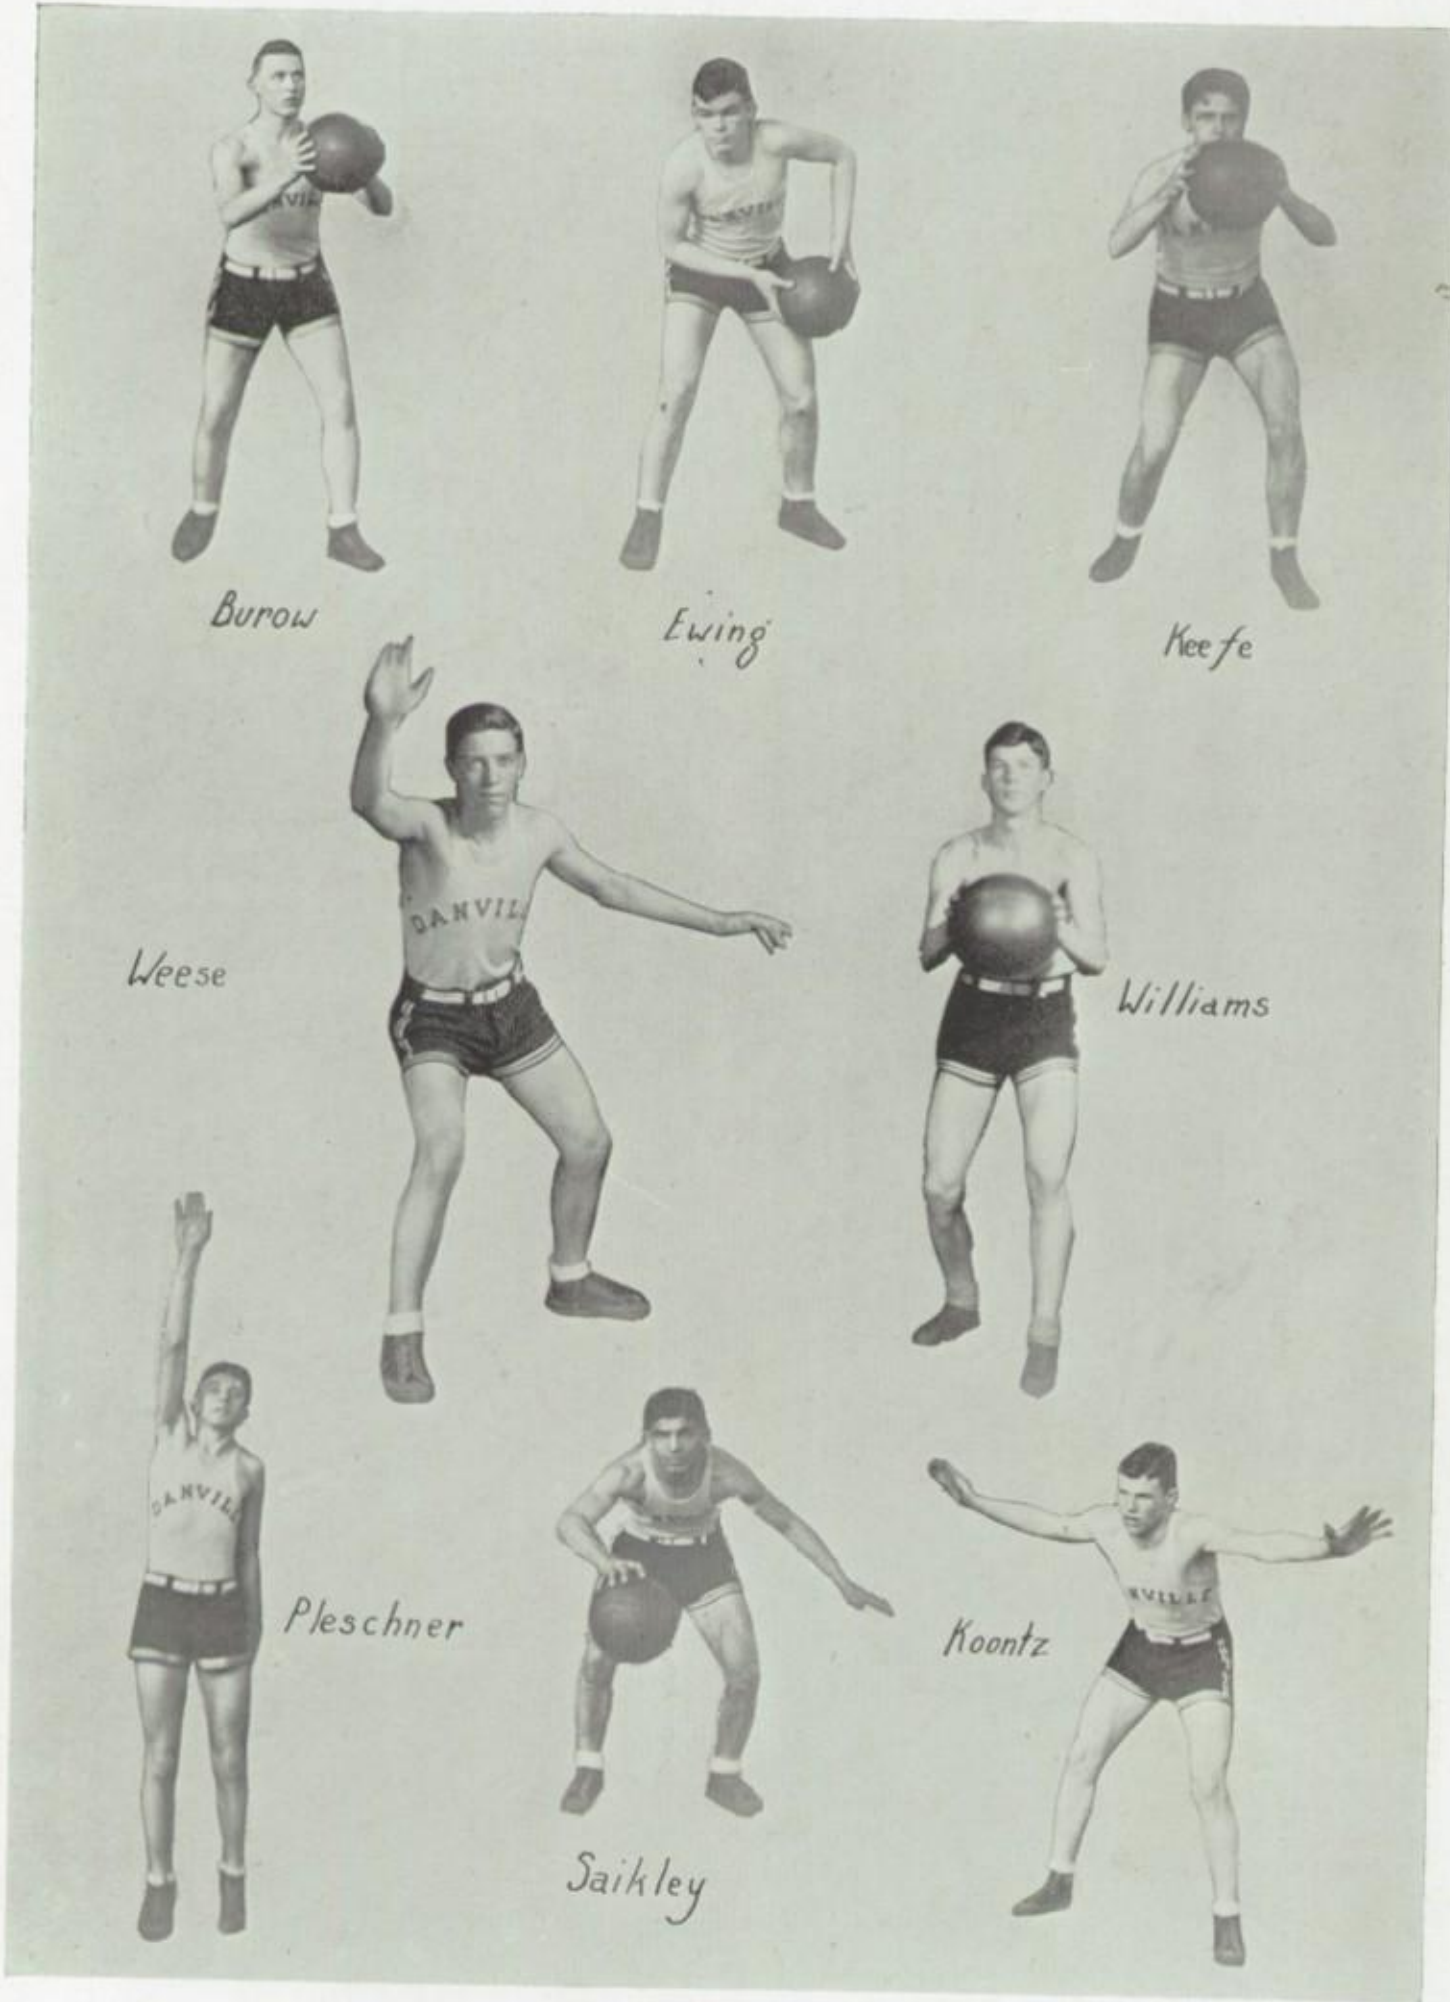

This team was made up of a group of determined boys who were out to win for D. H. S. The Maroons came through and won the District Tournament for Danville and then were defeated in the first game of the Sectional Tournament by Bloom High of Chicago Heights.

At Danville

DANVILLE 19, KANKAKEE 12

The Hoffmen played a great defensive game, holding Kankakee to an 8-1 lead the first half. The visitors threatened in the last quarter but the Maroons kept pace with them. The Maroons played tight defensive game, however, their free throws being one of the features of the game.

December 19, 1930

At Danville

DANVILLE 16; CHRISMAN 12

Chrisman lived up to all the predictions and forced the Maroons to extend themselves to the utmost to win. The team fumbled the ball quite a bit but the scoring was evenly divided. Chrisman was tough all the way, playing good, smart basketball and always in dangerous reach of the victory.

December 20, 1930

At Danville

DANVILLE 10, COVINGTON 14

The game started with a fine display of defense by both teams, the half ending 6-3 in favor of Danville. The Maroons weakened in defense play and failed to make numerous shots, letting the Covington team come from behind to win in the last quarter.

January 9, 1931

At Danville

DANVILLE 21, CHAMPAIGN 19

Danville won its first conference game of the season, which was played on the home floor. The game was unusually fast and close throughout. Burow knotted the score at 19 all in the last quarter with a few minutes to go. Saikley tossed the winning basket in the first overtime.

January 10, 1931

At Mattoon

DANVILLE 14, MATTOON 22

Danville held a 10-8 lead at the half but tired during the last, probably due to the strain of the night before, and Mattoon won, 22-14.

January 16, 1931

At Urbana

DANVILLE 12, URBANA 13

The game was close and hard fought all the way through and at no time was either side over two points in the lead. Danville had a large following at the game. Urbana won in the second overtime by the free throw of Root.

January 17, 1931

At Danville

DANVILLE 12, SPRINGFIELD 28

The Maroons were clearly outclassed by the Springfield five. Danville tried a man-to-man defense but with little success. Springfield controlled the ball for most of the game.

January 23, 1931

DANVILLE 10, DECATUR 22

At Danville

Decatur was too strong for Danville and after piling up a large score, they stalled the rest of the time. Both teams used many substitutes and at one time Decatur took out the entire team. This was the last home game for Saikley and Neupert, veterans of the team for the last three years.

January 24, 1931

DANVILLE 26, LINCOLN 35

At Lincoln

Danville suffered their fifth conference defeat to Lincoln. Danville trailed all the way, missing a number of easy shots. This was the last game for Saikley and Neupert.

January 30, 1931

DANVILLE 22, MILFORD 9

At Danville

The game started with a bang and showed promise of being a tight one when the first quarter ended 2-1. However at the half the Maroons led 12-1. Koontz showed up well for the Maroons, ringing up eight points during the game.

January 31, 1931

DANVILLE 20, MATTOON 35

At Danville

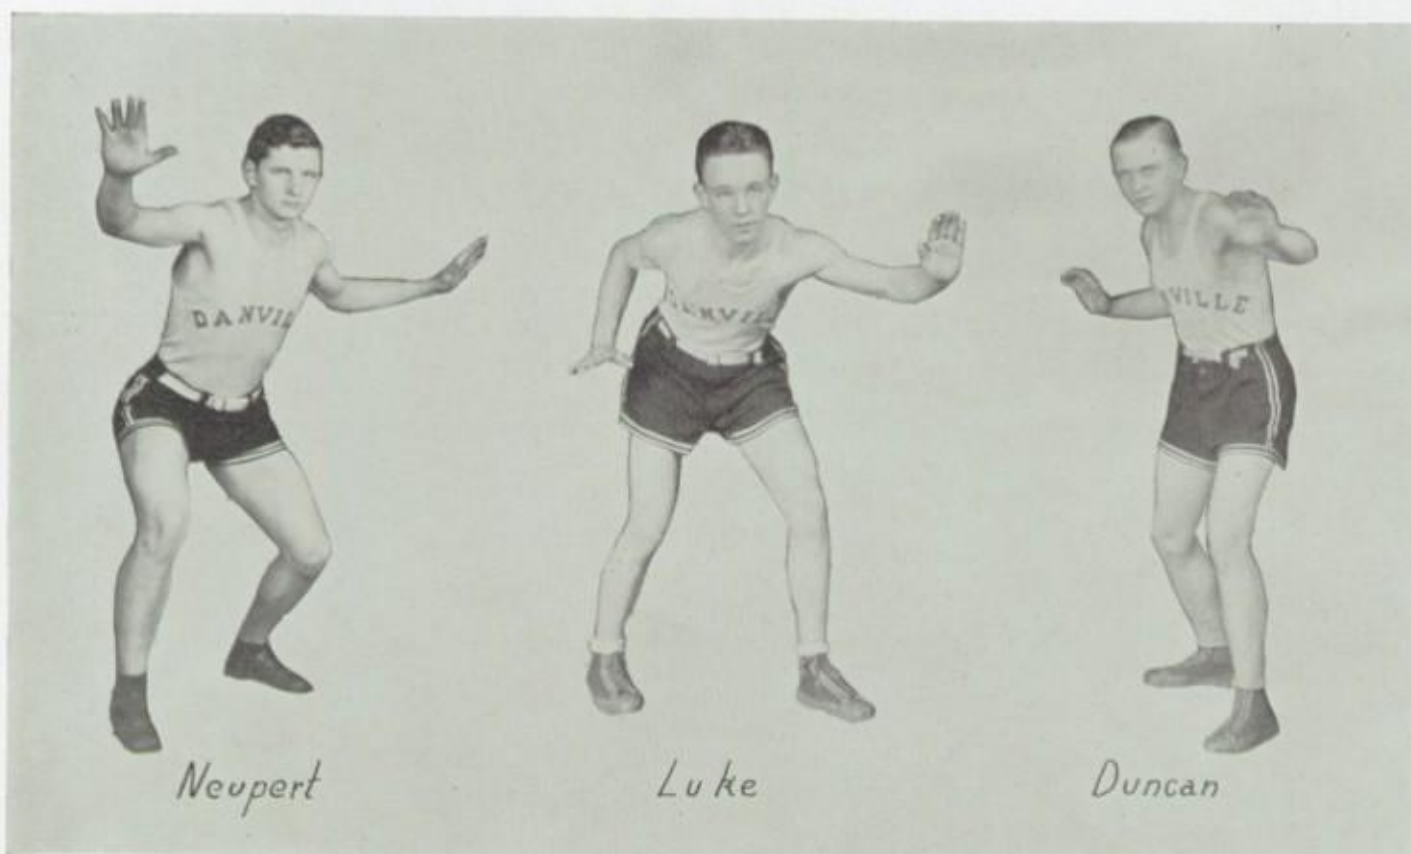

The game started with the lead changing hands several times in the first quarter. From then on the visitors built up a lead of 15 points. Williams held Furvis, the Mattoon star, scoreless.

February 7, 1931

DANVILLE 24, KANKAKEE 18

At Kankakee

Danville defeated Kankakee in a hard fought, closely played game. Kankakee led by one point at the half but the Maroons came back in the next period and managed to keep ahead the rest of the game.

February 13, 1931

At Danville

DANVILLE 19, URBANA 26

Urbana proved that they were really superior to Danville this year by trouncing us by a 26-19 score. Danville led at the half 10-7 but loosened up in the last quarter.

February 14, 1931

At Decatur

DANVILLE 17, DECATUR 31

This game was remarkable in the tight defense played by Decatur. Up to the final quarter the Maroons scored no field goals. Danville sank 11 out of 16 gift shots up to the last quarter and then managed to make a few long shots.

February 20, 1931

At Champaign

DANVILLE 15, CHAMPAIGN 13

Champaign started the game off with a field goal and were leading at the quarter 5-4. However, Danville came back strong and tallied 8 points. We held the lead from then on but Champaign staged a final rush in the last quarter which forced the Maroons to extend themselves to the utmost. The second team was also victorious.

February 27, 1931

At Danville

DANVILLE 23, WATSEKA 18

In a non-conference tilt played here Friday night Danville led all the way through but couldn't shake away for more than a two point lead until the last quarter. It was one of the best games seen this year, taking everything into consideration. In the Freshman-Sophomore game the visitors failed to offer much competition.

"DISTRICT TOURNAMENT"

Danville won the District Tournament here, winning most of the games without difficulty. D. H. S. defeated Westville Wednesday night in a fast, hard played game 25-19. In their game with Catlin Thursday night the Maroons got going and the game ended 24-11. The following night Danville came from behind in the second half to win from Metcalf. In the final Saturday night the Maroons throttled the Chrisman preps 24-11.

"SECTIONAL TOURNAMENT"

Bloom High School of Chicago knocked Danville out of the Sectional here Wednesday night in one of the hardest fought basketball games of this year. The slickness of the floor slowed the game up considerably but the numerous falls they took on this account didn't dampen the spirit of our team one bit. Rantoul won the Sectional from Armstrong.

Review of 1930 Track Season

The Big 12 Conference track meet was held in Danville on May 3, 1930. This was the first time since Danville entered the Big 12 that the Conference was held here. Lincoln placed first with Urbana a close second. The track team was entered in the Millikin Relays at Decatur and in the annual meet at Illinois Wesleyan University, and in the District Meet at Urbana. Although they did not win any meets or establish any wonderful record, these boys were out to give their best for D. H. S. The only point getters for Danville were Capt. Sharp and Porter.

SHARP

PORTER

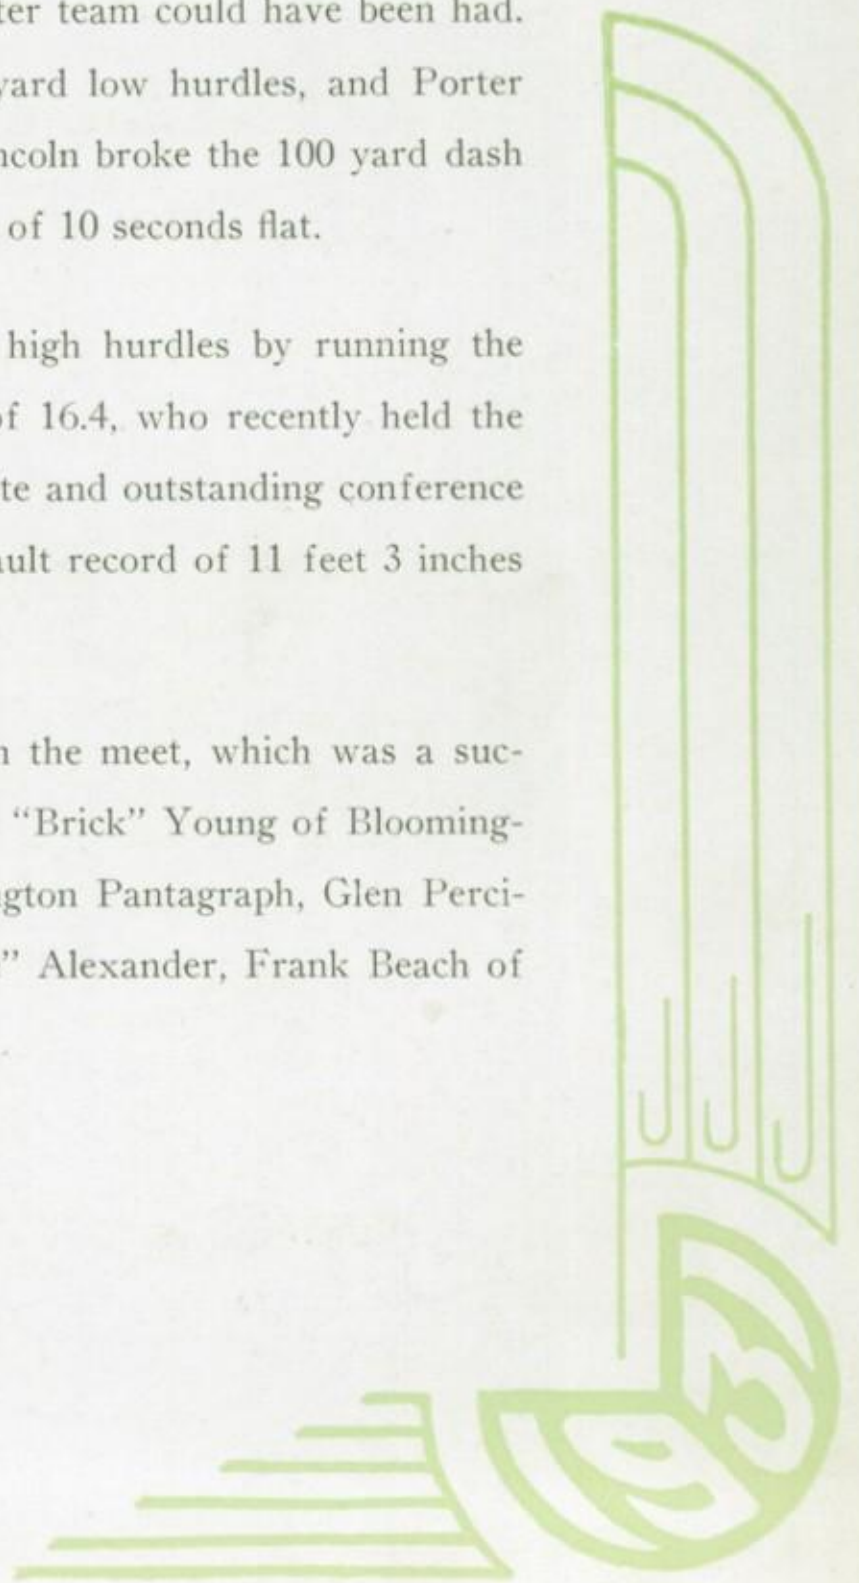

The Big 12 Conference

The spring of 1930 found Danville as hosts to the Big 12 Conference, the climax of the year's activities. The Conference was attended and participated in by every school in the Conference, which helped to make it the success it was.

The main part of the meet that this department is concerned most about is the Track and Field meet. Lincoln High School carried away top honors, with Urbana second. Danville scored 4 points to land in tenth place. This was largely due to the fact that the Maroons lost the services of Captain Seawright, fast dash man, who along with Porter and Sharp a faster team could have been had. Sharp of Danville took second place in the 220 yard low hurdles, and Porter placed fourth in the 220 yard dash. Groens of Lincoln broke the 100 yard dash record of 10.2 by running it in the remarkable time of 10 seconds flat.

Bucy of Peoria Manual broke the 120 yard high hurdles by running the distance in 16.3 seconds, beating Sentman's time of 16.4, who recently held the record. Rex of Decatur, who is an all-round athlete and outstanding conference performer, broke the shot put record. The pole vault record of 11 feet 3 inches was tied by a Mattoon boy.

Danville had the best officials available to run the meet, which was a success from start to finish. Among the officials were "Brick" Young of Bloomington, famous Big 10 official and writer for Bloomington Pantagraph, Glen Perci-field, Y. M. C. A., Debenham, Y. M. C. A., "Cleve" Alexander, Frank Beach of Champaign and others.

Review of 1930 Cross Country Season

The Cross Country team this season won 4 meets and lost 2. They won from Lincoln, Mattoon, Urbana, and Champaign and lost to Decatur and Springfield. A very successful season is expected next year from these boys, as only Caughron, Laker, and Palmer are lost to this squad by graduation. These boys gave their best in every meet in which they were entered. Their record for the season shows that their work was well worth while.

Review of 1930-1931 Swimming Season

The swimming team this year had another undefeated season. They lost three veteran swimmers at the end of the first semester due to graduation. This revamped team won the Big 12 Conference meet for the seventh consecutive year. This is the best record ever established in D. H. S. These boys deserve a great deal of recognition for this remarkable record.

A very successful season is looked forward to next year as only one man is lost to the squad by graduation this June.

At Danville

The Danville High School's swimmers defeated Kankakee forty-eight to twelve in their first meet of the season. Danville showed up well in all events, placing first and second in every event except the 40 yard free style, which was won by Kankakee.

Friday Night

DECEMBER 19, 1930

At Danville

The Champaign High School swimmers were defeated in a dual Big 12 Conference meet here Friday night 52-8. Danville placed first and second in every event and also won both the relays. As 60 points is the highest possible total in a swimming meet, you can readily see how much Danville excelled Champaign.

Friday Night

JANUARY 16, 1931

At Urbana

The D. H. S. swimming squad defeated Urbana 46-13 Friday night, making their third consecutive victory this season and a good start toward another championship team. Our team won practically every event, including the 160 and 120 relays. This meet was the last for Oswalt, Stephens, and Ellis, veterans of the Danville squad for the last three years.

Saturday Night

JANUARY 31, 1931

At Kankakee

The Kankakee tankmen were defeated to the count of 42-21 by our swimmers. Danville placed first in both relay events, 40 yard free style, 40 yard breast stroke, 100 yard free style, 40 yard back stroke, while Kankakee managed to snare the fancy diving. This was the second defeat taken by Kankakee this season from the Maroons.

Friday Night

At Danville

The Danville High School swimmers trampled on the Urbana tankmen to the tune of 34-24 here Friday night. Urbana took first in the 40 and 100 yard free style; also in the medley relay and the 100 yard breast stroke. The Maroons were badly crowded, but finally came through with another win.

Friday Night

FEBRUARY 20, 1931

At Champaign

Our tankmen scored another victory over Champaign by the count of 36-24. Danville won the 160 yard and medley relay, the backstroke, and the fancy diving. There was a tie in the 40 yard free style between Shane of Danville and Scoggin of Champaign which was very unusual.

At Streator

Danville won their seventh consecutive victory in as many years at Streator Saturday. The scoring was as follows: Danville 35½, Peoria Central 22, Urbana 16½, Champaign 8, Streator 7. Danville won all three cups, (the medley relay, the 160 yard relay, and runners up), breaking the record in the medley relay. Danville also won the 100 yard back stroke and the 100 yard free style. Benson Jewell shattered the record for the 100 yard back stroke by 3.1 seconds, setting a new record of 1:10.4.

MISS ANN BONSTEIN

This is Miss Ann Bonstein's second year as head of the girls' physical education department at Danville High School. She is director of the Girls' Athletic and "D" Associations which have been exceedingly successful under her supervision. In addition to several advanced and elementary gym classes she conducts swimming and after school basketball practices.

MISS JEAN TWITCHELL

This semester ends Miss Jean Twitchell's second year as assistant to Miss Ann Bonstein in the girls' physical education department. Her success in this position has been shown by the enthusiastic attitude of Physical Education students toward gymnastic work. Her teaching is supplemented by after school coaching of basketball and baseball.

The Girls' Athletic Association

The Girls' Athletic Association is an organization to which every girl in high school is eligible, providing certain requirements are complied with. The purpose of this club is to create a greater interest in athletics and to encourage better sportsmanship. Dances, hikes, and various social activities are sponsored by the club.

The Sportsmanship Cup

For the past two years a cup has been awarded to the girl who has displayed the highest quality of sportsmanship in athletics during her high school career.

Iris Andrews was selected by the athletic advisers as most deserving of this reward.

The Student Council

The Student Council is an organization composed of representatives from the four classes in high school. The membership is limited to three Seniors, two Juniors, one Sophomore, one Freshman, and the presidents of all the classes. It is through them that the voice of the student is heard.

They meet the first Monday of every month at a noon hour luncheon to discuss, encourage, and develop any propositions that will benefit the school and aid in its advancement and improvement.

It is difficult to measure their accomplishments in definite activities but they represent the true cooperative attitude of D. H. S. toward all school problems.

They are presided over by a chairman, usually the principal of the high school, and a secretary who is elected by the members of the council.

The method of selecting students to this organization is by vote of the different classes which results in everyone, from the Freshman to the Senior, having a chance to send a capable person to represent them.

To be elected to a position on this council is considered a distinct honor by all the members.

The Home Room Representatives

During the second year of their organization the Student Representatives have participated and helped in a great many of the school activities.

Every fall the elections are held in the roll rooms. The large study halls elect two representatives while the smaller rooms elect only one.

These representatives are asked to cooperate in every way with the Student Council in planning, discussing, and carrying out the various activities of the school.

The Student Representatives took an important part in the drive to obtain the necessary money to carry on the programs conducted by the National Assembly Association. They also cooperated with the Student Council and acted as guides on Open House night.

Another project was introduced to them by Mr. Wakeley this year for discussion. It was personality development. After some discussion it was considered best to postpone definite action to some future date.

Some teachers have the student representative for their particular roll room to make all the announcements on Monday morning and give short talks informing the students about some activity in which the school has recently participated.

It is the idea of the organization to aid the school in every way possible and to grow in usefulness year by year.

The All School Party

The All School Party this year was a huge success. Everyone who attended the party October 24 was well entertained and received a full share of fun during the entire evening.

It was in the form of a masquerade and a great variety of colors and costumes were displayed, giving a holiday aspect and hilarious attitude to the crowd. Prizes of candy and "Mums" were awarded for the best costumes to Virginia Nelle Phleger and Elizabeth Myers as Raggedy Ann and Andy; to Phillip Kaneen and John Hall as Moran and Mack of radio fame; and to Marjorie and Margaret Sharp, the Flit twins.

In the boys' gym a six-piece, peppy orchestra furnished the music for dancing, while stunts of all sorts were carried on in the girls' gym by various organizations in the school. And, too, the fortune tellers were there to reveal the fate of everyone.

The refreshments of orange and white ice cream and cookies were served on the second floor of the gymnasium building.

The Social Committee of the Girls' Club, with the cooperation of everyone in school, sponsored this splendid party and should be duly praised for their successful efforts.

Since the organization of the National Honor Society, students with high scholastic standing and strong characters have been awarded membership.

There are many clubs and organizations in D. H. S. covering a wide range of interest but scholarship and character receive emphasis in the National Honor Society.

The constitution was drawn up and the society was nationally recognized in 1921. The framers of the constitution decided upon scholarship, character, leadership and service as those virtues most useful to society and consequently most worthy of encouragement.

The D. H. S. chapter of the National Honor Society was established in 1925. Selection of members is made by a committee composed of members of the faculty.

Their only social activity is an annual breakfast each spring, given in honor of new members.

The pin worn by the members is in the shape of a shield bearing a burning torch. The four requirements are represented on the shield by letters.

So far, sixty-four members of D. H. S. have been elected to National Honor Society. All have been leaders in the school.

The Boosters' Club was first organized in 1924 and was made up of boys who were the enthusiastic promoters of the various school activities. Since then the membership has been changed to the first one hundred boys and the first one hundred girls to sign for a membership and pay their dues. The money thus collected is used to defray the expenses incurred by the club.

It is the purpose of the club to create enthusiasm for all school activities. Its ideals are to promote clean sports, to encourage cooperation between students and faculty, to develop loyalty to the school, and to build respect for law and order and the property rights of others.

During the year the Boosters have done much to enliven the school activities and instill pep in the student body.

The purpose of the Danville High School Girls' Student Club is to extend the ideals of friendship to all the girls in school. They discuss subjects of interest and helpfulness so that the girls may obtain more from their high school courses.

This year the Girls' Club was divided into eleven groups, which made plans for the programs of the year. Names and emblems were chosen and much enthusiasm was aroused between these sections. Many interesting programs were presented to the club in general.

Two all-school parties were sponsored by the club. The first was in the form of a Hallowe'en celebration and the second was an April Frolic. At Christmas time a party for the grade school children was very successful in extending a happy Christmas spirit to many. A kid party was given at the first of each semester to welcome all new girls into the club. An open meeting for the entire student body was held in April. At this time a play was presented and received with much enthusiasm by a large attendance.

Such a large organization as the Girls' Club cannot be guided efficiently by the usual officers of a club. In order to carry out the plans, an executive cabinet was formed. It is made up of the committee chairmen and their committees. Every year they sponsor some of the largest events in school.

At the beginning of each semester a welcoming tea is given for the freshmen so that they may become acquainted with the girls and feel at home. The Social Committee has charge of these and also plans the other parties of the year.

Every year at Christmas the Social Service Committee sponsors a party which is greatly anticipated by the many grade school children who are the guests.

The Program, Publicity, and Membership Committees work together in making the meetings a success.

To secure the finances for carrying on such an organization the Financial Committee sells refreshments at the athletic contests of the school.

This past year has been especially successful. The membership almost reached 100% of all the girls in school.

"Painting the Rainbow" was the theme for the club throughout the year 1931. Characteristics and interests which make up the ideal girl—friends, religion, books, health, patriotism, and happiness—were discussed in the meetings.

The girls began the year with a Fall Frolic given at the Y. W. C. A. Bungalow in honor of the new Freshmen girls. The week-end of December 13 was set aside by the girls for a money-making campaign. A rummage sale, Japanese gift sale, candy sale, and stunt show were successful features of the campaign.

The Hi-Y Club and Girl Reserves are joint organizations. The boys gave the girls a wiener-roast in the fall and the girls entertained the boys in the spring.

The wearing of the Girl Reserve ring is considered the highest honor a member can attain. In order to get this ring, a girl must grow in character and personality. Twelve girls became wearers of the Girl Reserve ring this year.

The Hi-Y club, a branch of the Y. M. C. A., is an active organization in the High School. Its purpose is to create, maintain and extend throughout the school and community, high standards of Christian character. Any boy in High School is eligible to membership.

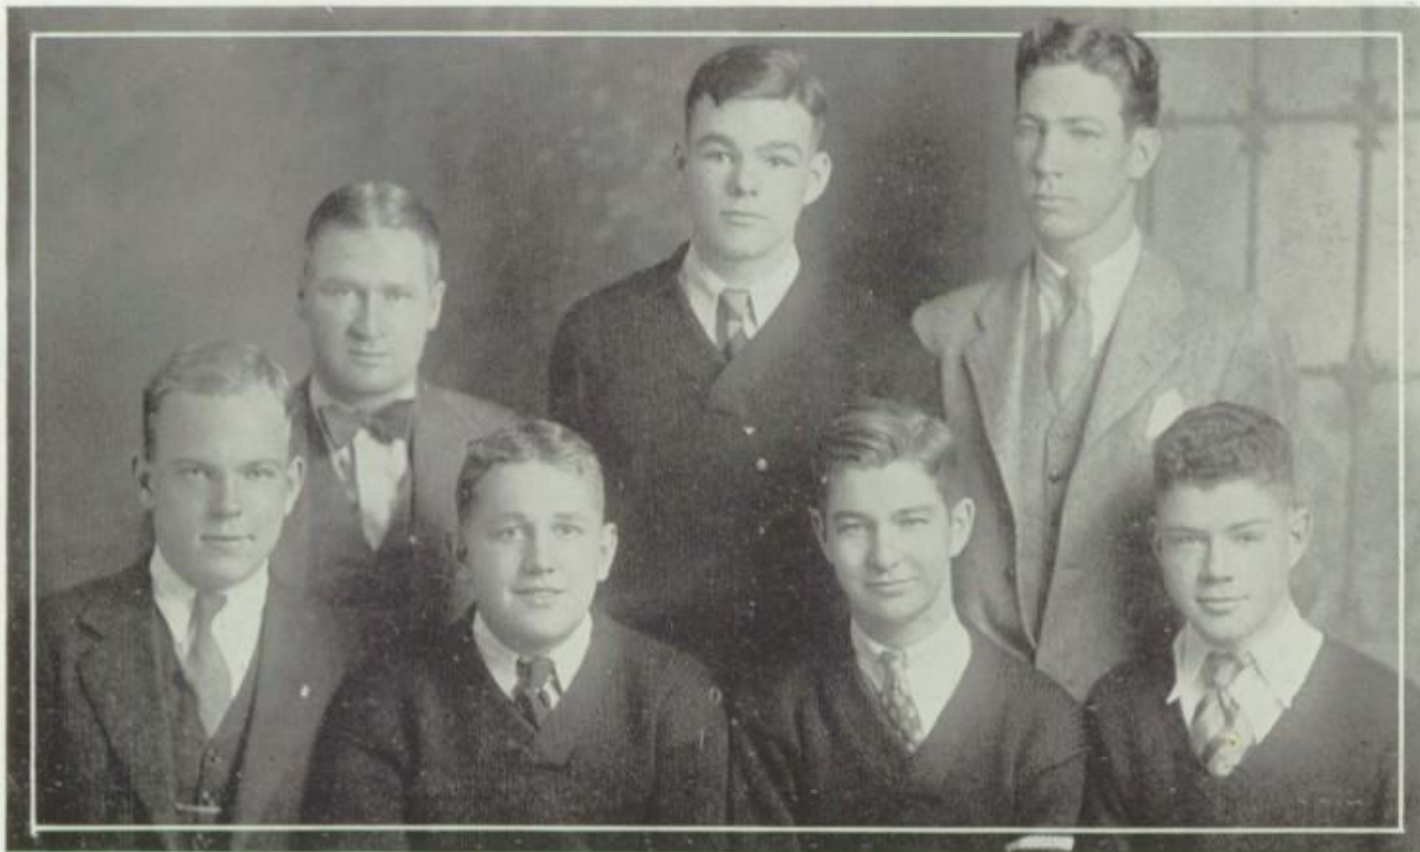

The Hi-Y work opened the year with a retreat to Foster, Indiana. At this time plans were made for the program of the following year.

This year they had a very full program. In October a wiener roast was given the members of the Girl Reserves. In November the club sent six representatives to the Older Boys' Conference at Aurora. They received the honor of having one of their representatives elected president, namely, Elmer Cooke.

At Christmas time the club distributed baskets of food to several very needy families. Many entertaining banquets were given throughout the year. The Annual Mother and Son banquet met with much success. They also had a dinner for the freshman boys. This helped the boys to feel more at home in High School.

Their weekly meeting is in the form of a dinner at which many topics of interest to the boys are discussed.

This organization is open to all students who are interested in some phase of scientific study. It is not necessary for them to be taking a course in science, or to have taken one. The meetings are held the first and third Thursday of each month.

During this year the Club undertook some interesting field trips to the Hege-ler Zinc Plant and to the Malleable Iron Works. In the spring a large outdoor picnic was enjoyed by all the members attending.

The Science Club of Danville High School is affiliated with the Illinois Academy of Science and is recognized as its oldest member. In 1929 a division was made in the association and D. H. S. now belongs to the Junior Academy of Science. John Hartsook, a graduate of 1930, was elected as its Vice-President.

It has many capable advisers and interested members who tend to make the organization a popular and successful achievement.

The Library Student Committee acts as a representative of the various departments in school. It is a bond between the Library and the departments.

The committee has a threefold purpose which it fulfills: to aid in advertising the Library in every possible way, to make it more attractive, and to be the boosters for the Library in making it an important part of the school.

Each department is represented by one of the committeemen. A calendar is made by Miss French, the Librarian, at the beginning of the year and the assignments are given to the students along with suggestions for the exhibit.

This last year the exhibits have been more interesting than usual. Many students who have hobby collections were asked to bring them for display in the Library. It was surprising how many interesting and educational collections were brought.

Much competition was aroused in seeing which department could have the most interesting display.

Each year a staff of Junior girls is selected by Miss French, High School Librarian, for library training.

The selection is made on the basis of scholarship, interest and adaptability. During the first semester these Juniors are given a course in library methods adapted to a high school library. In the second semester they do practice work in the library.

As seniors these girls are regular student assistants and devote one hour each day to library work. Each girl is given, besides the regular room routine, some special work for which she alone is responsible.

This staff of library student assistants render to the school and their fellow students a service of high merit.

During its six years of existence in Danville High School, the Latin Club has endeavored to make its activities more interesting and more stimulating for all of its members.

This year the highest peak of achievement was reached by the organization when it sponsored a special assembly in commemoration of the two-thousandth birthday of Vergil. A world-wide celebration was conducted by educational groups who were eager to honor the greatest of Roman poets.

It is the purpose of the Latin Club to acquaint its members with the ancient Roman customs, life, and mythology which cannot be taken up to a very great extent in the classrooms.

Many clever programs are given during the year. Various features such as pictures, slides, games and banquets all form a part of the entertainments. In addition each program is carried out as nearly as possible in accordance with the Roman ideas.

The teachers of Latin with Miss Goldia Roach as the head, act as advisers.

Le Cercle francais

LE BUREAU

<i>Le President</i>	ISABELLE NICHOLS
<i>Le Vice-President</i>	ELIAS ELLIS
<i>Le Secretaire, Tresorier</i>	KATHRYN BRACEWELL

The French Club is a newly organized group in the high school. It was formed by a number of students interested in the French customs, under the leadership of Miss Shutts and Miss Markley, teachers of the language.

The purpose of Le Cercle francais, the French name of the club, is to promote a better understanding of the French language, customs, and ideals.

Many interesting and instructive meetings have been held during the year in which plays and descriptive talks were given. They also made a study of the French family life. Along with this they studied the holidays celebrated in France and some of the great heroes such as Napoleon and Jeanne d' Arc.

The membership of the club is open to anyone who is taking, or has previously had French. A small sum is charged each year for dues, which is used for parties and picnics.

The officers are elected in the spring and serve the following school year. The officers, with the help of the program committee, plan the meetings throughout the year.

<i>El Secretario</i>	JAMES GILMORE
<i>La Tesorera</i>	NANCY MELVILLE

The Spanish Club of Danville High School was organized in the spring of 1930, under the leadership of Miss Olmstead.

The purpose of the club is to encourage the students of Spanish to take a more interested attitude toward Spanish literature and people.

The meetings of the club are devoted to the study of Spain and Spanish-American countries. At the meetings of the past year several entertaining Spanish plays were given by the club members. Another interesting feature was the travel talks. Some were given by teachers who had visited Spain, and one of special interest was given by Miss McFarland, a missionary to South America. Songs and games were sung and played. Much knowledge of Spain and the Spanish language was gained from these varied programs.

A sum of twenty-five cents per year is charged for dues. And the membership is open to anyone who has taken or is taking Spanish.

One of the new organizations in the school is the German Club which was established last year, any student of German being eligible to belong. The members have Mrs. Kubitz for their adviser.

The purpose of the club is to help the students learn more about the life, customs, games and music of Germany. It also endeavors to create a feeling of world fellowship and broadens the students' viewpoints regarding the German people.

The programs are planned with the above objects in mind. At the Christmas program, the story of the Christ Child's birth was presented in German. At other meetings songs, games, and rounds were learned. During the year addresses were given by people who had traveled or lived in Germany. These entertainments have been very enjoyable as well as very beneficial to the members.

Home Economics Club

OFFICERS

<i>President</i>	MARY LOUISE ROSENBERGER
<i>Vice-President</i>	WILMA JANE OLDER
<i>Secretary-Treasurer</i>	KATHRYN BRACEWELL

The Home Economics Club has completed its second successful year. During this time the membership has increased to make it a fairly large organization.

The club has for its name Ade-Han, which is an Indian name, meaning foundation. They hold six regular meetings a year, at which refreshments are served. The food is prepared by the cooking classes.

Different phases of Home Economics are brought out in each program. These phases are presented by means of plays and talks. One very important meeting was devoted to etiquette. This subject is of great interest and importance to everyone.

The aim of the Ade-Han is to spread a feeling of friendliness. The club has a three-fold purpose: to add interest to Home Economics, to encourage a spirit of helpfulness and friendship among students and between teachers and student, and to help students fit into their social group by developing a sense of responsibility.

The club has picnics and other social events during the year. Also various industries of Danville are visited by the girls so that they may learn about the kinds of food and other articles made here.

<i>Vice-President</i>	BESSIE CLAGGETT
<i>Secretary-Treasurer</i>	TOM HAGERMAN

The Art Club of D. H. S. was established in 1929. The past year has been very successful. Membership to the club is gained by having certain specified drawings accepted by the advisers.

The Art Club meetings are the last Thursday of every month. At each meeting the club is divided into groups. For instance, one group does portrait work, another does landscape, etc. One meeting was devoted to outdoor sketching.

The Art Club sponsored the art exhibit which was held in our auditorium. Students interested in art were allowed to see over two hundred of the world's best pictures. From the money taken in, the club was able to buy four pictures, which are now hanging in the art room. The names of the pictures are "Wonderlands", Bundy; "Eve in June", Iness; "Laughing Cavalier", Hauss; "Hope", Watts.

The Art Club furnishes posters for all the school organizations.

The Worth While Writers Club

OFFICERS

<i>President</i>	HAROLD MAYO
<i>Vice-President</i>	MARJORIE TOWNSLEY
<i>Secretary</i>	BILLY SHAFFER
<i>Treasurer</i>	WILMA JANE OLDER

The Worth While Writers Club is, as its name suggests, an organization for literary aspirants. It is open to all English 1, 2, 3, and 4 students who submit an original writing or a group of three poems and have them accepted by the Membership Committee.

The purpose of the club is to promote writing, to teach the members better ways of expressing themselves, and to help them fit into a social life.

The meetings are held on the first Thursday of every month. After the business is completed, a program is given in which one particular type of writing is discussed, studied, and worked on. Each member contributes one composition at each meeting on which to base the discussions.

It is felt by all those interested in the club that it has successfully accomplished its purpose for this year.

The Phyllis Wheatley Club

OFFICERS

<i>President</i>	VIRGINIA BEATTY
<i>Vice-President</i>	ODESSA WILLIAMS
<i>Secretary</i>	ROSA BARNES
<i>Treasurer</i>	DOROTHY ROBINSON

The Phyllis Wheatley Club was organized in September after a period of inactivity and since then it has shown a rapid development.

The purpose of the club is to build character, to give and find the best in life, and to face life squarely. Their triangle consists of three phases of life: the spiritual, the physical and the mental.

Meetings are held twice a month and then discussions such as the historical characteristics of the negro race, health, friendship, relation to other people, and good literature are carried on.

At Christmas time they performed some social service work for the Colored Children's Home.

Since every member seems to be very much interested in music and many of them are musically inclined, singing, dancing, and piano playing usually forms a part of their programs.

Nearly every colored girl in school belongs to the club and all enjoy participating in its various activities.

A most tuneful and lively organization in the high school is the Senior Band. It adds color and pep to the athletic games, assembly programs, and parades.

This year, cards bearing the titles of the pieces were displayed as each selection was played. This gave individuality to the pieces. The students learned to connect a name with each composition, and thus become familiar with the best overtures and marches from famous composers.

The band is also known as the Crescendo Club. Each year officers are elected to direct the work of the club. The officers plan to gradually raise the attainments of the band to a higher degree. The spirit of enthusiasm created by the influence of Mr. Cooper and the club has reached out to the student body.

THE CRESCENDO CLUB

The Junior Band

The work of the Junior band is of decided value to Danville High School. This organization is actively engaged in fitting boys for the Senior Band. Any boy who wishes to learn to play an instrument may enter.

At first, the boys learn to read music and to play their instruments. Then, scales, chords, and simple compositions are taken up. Later, the students study and learn to interpret pieces that are more difficult. They also try to develop an ear for music and a liking for the best types. Advancement depends entirely upon the efforts that each boy makes. Mr. Cooper, the director, tries to influence each one to put his best into music. Those who are interested in the work and show a sufficient amount of progress are promoted to the Senior Band.

Fifty boys enrolled in the D. H. S. Glee Club this year and it has been a very successful one for the club. Towards the end of the year, a constitution was drawn up and very capable boys were elected to offices.

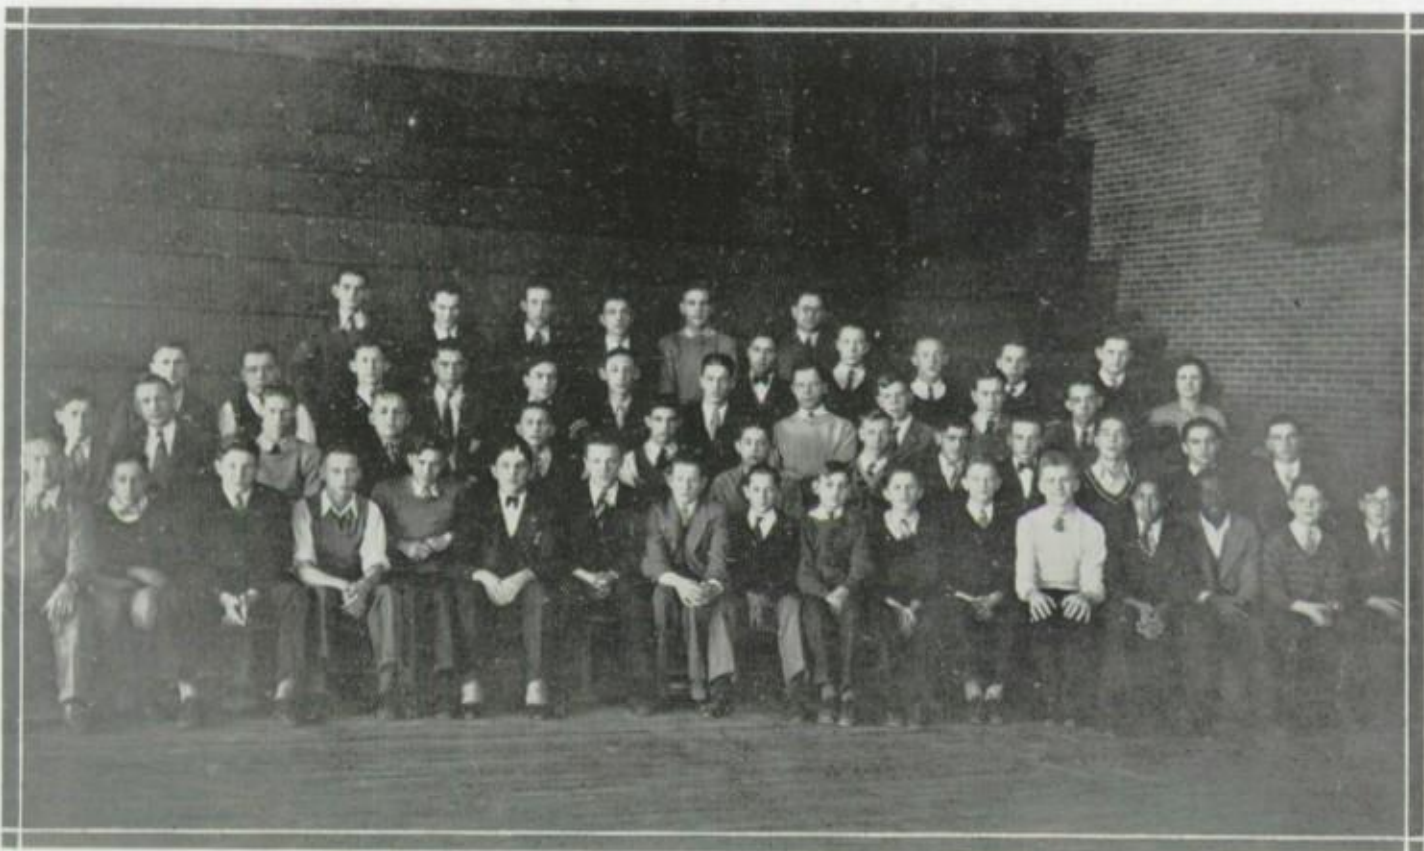

The Boys' Glee Club, with the Girls' Glee Club, presented one of their best Christmas programs this year, entitled "The Prince of Peace."

The main project of the Glee Club was the operetta "Pickles". The boys presented a wonderful entertainment.

The club used to be divided into quartets but this year there was just one class of boys who sang together.

The Glee Club took part in the Big Twelve Conference and D. H. S. made a very fine showing. The boys also took part in a National Music Week Concert.

THE BOY SONGSTERS

The Girls' Glee Club

Under the direction of Miss Legg the Girls' Glee Club has passed another very successful year. There were 129 girls enrolled in the first semester and 135 in the second semester.

The Operetta was the main project of all the Glee Clubs during the first semester. The girls entered whole-heartedly into this musical and helped make it a success.

The girls presented several very interesting programs in the assembly. They also took part in the Big Twelve Contest. Several girls entered as soloists for both piano and singing.

The Glee Club presented a lovely concert during National Music Week.

The Cantata, "The Prince of Peace", which was presented at Christmas time by the Boys' and Girls' Glee Clubs combined, was considered very well done.

The pianists for the club this year are Mary Jane Walker, Helen Liddell, and Dorothy Belle Snyder.

The principles of the club as expressed by Miss Legg are pitch, rhythm, interpretation and good sportsmanship.

THE GIRL SONGSTERS

The D. H. S. Orchestra

The orchestra made its first appearance of the year with the Operetta "Pickles". This was the first time that the entire orchestra had been used to accompany any of the choral work.

It also furnished musical entertainment between acts at the Dramatic Club play, and contributed to the concert given during National Music Week.

Every year the orchestra is a larger musical organization. In November one of the students participated in the All-State High School Orchestra at the University of Illinois.

Danville also had eight representatives in the Big Twelve Conference Orchestra which appeared at Springfield. Those who attended were: Benson Jewell, George LeMaire, Flo Langham, La Vada Fieldes, Wilbur Soltau, Helen Jackson, and Margaret Morgan.

Such opportunities for recognition stimulate individual effort and ambition.

The Dramatic Club of D. H. S. has added another year of successful achievement to its many previous ones. Never in the history of the organization has there been carried out a more interesting and worthwhile yearly program. Eight play groups took care of the one-act plays for the year, and individual members managed all other dramatic entertainment.

The Club was fortunate in having a very able staff of officers for the year, and they, along with Miss Miller, faculty adviser, kept the machinery of the organization in perfect running condition.

The annual spring play, "Skidding", was staged by the Players, February 20, 1931, in the High School Auditorium. This play, in addition to the Christmas party and the Spring Frolic, made up the outstanding events of the year.

The National Thespian Society

The local chapter of the National Thespians was founded in May, 1929, through the efforts of Miss Mary Miller, faculty adviser of the D. H. S. Players. This honorary dramatic society has been very prominent among the other national organizations of Danville High School.

The eligibility of students depends upon their scholastic standing as well as their histrionic ability. The earnest desire of this society is to better high school dramatics. As a suitable reward and recognition for capable participation in dramatic activities, it plays an important role in D. H. S.

Those who have made Thespian so far are:

"Skidding", a very clever three-act comedy by Aurania Rouveral, was presented before a packed auditorium on the night of February 20, 1931. The great success of this production was due, not only to the diligent work of the capable cast and their efficient coach, but also to the enthusiasm and cooperation displayed by every D. H. S. player.

This play gave a clear picture of American family life. It presented Marian Hardy, a modern college girl who could not decide between a career and a husband. Wayne Trenton, her ambitious young lover, was firm in his belief that a woman's place was in a home.

Young Andy Hardy was an adorable adolescent lad with his first "case"—a typical Booth Tarkington part. He kept the audience in a gale of merriment with his humorous observances.

Humor was blended with pathos and a deliciously garnished philosophy made "Skidding" more significant than the average comedy.

The class of '31 was proud to present as its play, "The Unseen Way", Dewitt Newing's three-act "romance of the unusual", May 15th, at eight o'clock, in the High School Auditorium, before a large and appreciative audience. To say "The Unseen Way" thrilled is but putting it mildly—to say likewise that it delighted is to under-estimate. The story dealt with the lives of several ordinary people in the midst of several extraordinary events. Things uncanny and impossible happened before the very eyes of the startled spectator, things that left the body cold with an overwhelming fear one moment and rocking with side-splitting laughter the next. Throughout the entire story walked the silent, sinister figure of the mystery man from the East.

The play was a difficult one to "stage", and the cast and coach deserve much praise for the finished excellence of the production.

The 1931 Medley

With the completion of the twenty-eighth volume of the Medley another successful book has been added to the list of yearbooks of the school. The first Medley staff was organized in 1904. Since then each succeeding staff has tried to make its production outstanding in a number of ways. Nothing has been left undone this year, to improve the art work and methods of production.

One prominent change was the organization of a photographers' staff. A fine Graflex Kodak was purchased. With this machine numerous pictures of high school events were made. This afforded a saving for the Medley Staff.

A special room was provided for the organization. Here all the material and equipment was kept. This enabled the students to carry on their work more efficiently.

A fine quality of art work prevails throughout the book. This is largely due to the efforts of Edwin Todd, the Art Editor.

As a whole the Staff has co-operated in all the tasks undertaken.

George Neupert, the Editor, particularly deserves praise for his direction of the Medley work. The chairman of the various committees should also be commended.

Advisers of Publications

MR. BATES

MR. DUFFIN—Mr. Duffin, the supervisor of the publications, is to be especially praised for his co-operation. His valuable suggestions and encouragement have been particularly helpful to both the Medley and the Maroon and White Staffs.

MR. BATES—A large portion of the success of the 1931 Medley is due to Mr. Bates. He gave a great deal of time and careful thought to each part of the yearbook. For his fine leadership the members of the Staff are very grateful.

MISS KEVE—The utmost appreciation is offered to Miss Keve for her competent direction of the Medley Art Staff. It was with her suggestions and supervision that a high quality of art work was assured for the Medley.

MR. FAULK—The students of Danville High School are very grateful to Mr. Faulk for his loyal direction of the Maroon and White. With his timely advice the splendid progress and high ratings of the paper were made possible.

MR. HOGBIN—Mr. Hogbin's co-operation in supervising and helping to establish the Medley Photographers Staff is quite praiseworthy. Through his efforts numerous pictures were provided for the 1931 Medley.

The Maroon & White

Another year has passed into history for the Maroon and White. This year should be especially outstanding because several changes were made.

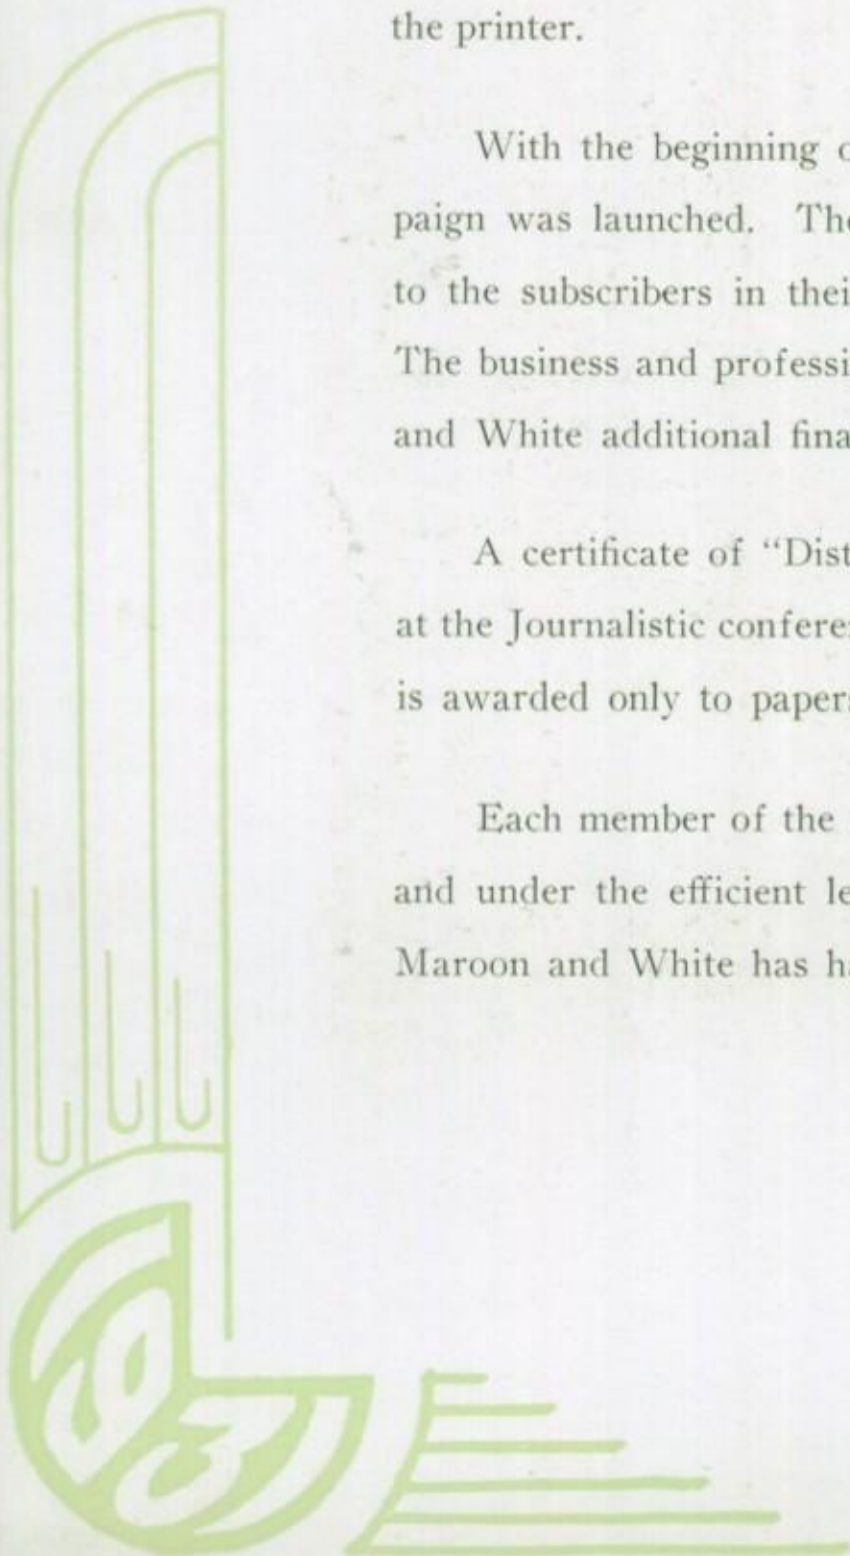

It has always been the object of the Maroon and White Staff to make some improvements in the paper. Previously the Maroon and White was published every two weeks, and contained six pages. This year the paper consisted of four pages and was issued each week.

Several new features were introduced. Among other things, a literary section and a new humor column aroused a great deal of interest and enthusiasm among the students. There were also two typists added to the Staff. With their aid, the copy was better prepared for the printer.

With the beginning of each semester, a new subscription campaign was launched. The recent method of distributing the papers to the subscribers in their roll rooms has proved very satisfactory. The business and professional men of Danville also gave the Maroon and White additional financial support with their advertisements.

A certificate of "Distinguished Rating" was won last November at the Journalistic conference at the University of Illinois. This honor is awarded only to papers of high merit.

Each member of the Staff worked very faithfully to do his share and under the efficient leadership of Harvey Acton, the editor, the Maroon and White has had a very successful year.

The Cub Reporters

A few years ago an organization known as the Cub Reporter Staff was founded in Danville High School. Here in the ranks of this group each succeeding Staff for the Maroon and White receives training.

Every year a new Cub Staff is established. Those Sophomores, Juniors or Seniors interested in journalism are eligible for membership.

At the various meetings of the Cub Reporters, instructions are given concerning the essentials and the nature of newspaper work. Furthermore, the members soon become experienced in the practical side of the subject. Each Cub must contribute some article to every issue of the Maroon and White.

The students must continue in this service for a year before any advancement in position can be made. At that time those who are particularly adapted to journalism and display a willingness to take part are given a place on the main Staff.

In this manner the Maroon and White is always assured of a competent group of students to succeed the outgoing Staff.

Mr. Faulk has been advisor of this organization for a number of years. With the aid of his instruction and encouragement the Cubs are inspired to do their best.

Front Row—Emily Hough, Lois Cottingham, Norma Jean Heisser, Florence Cottingham, Patty Romig, Eleanor Matthews, Ann Sherritt, Caroline Crabtree.

The Quill and Scroll

The Quill and Scroll is a National Honorary Society for high school journalists. Danville High School received its charter in 1930. At that time the first group of members was selected. The pin awarded to each is in the form of a scroll with a quill pen.

The candidates must be of junior, senior or post-graduate standing and in the upper third of the class. An active interest, initiative, and dependability must have been shown in some phase of journalism. A good character is also required.

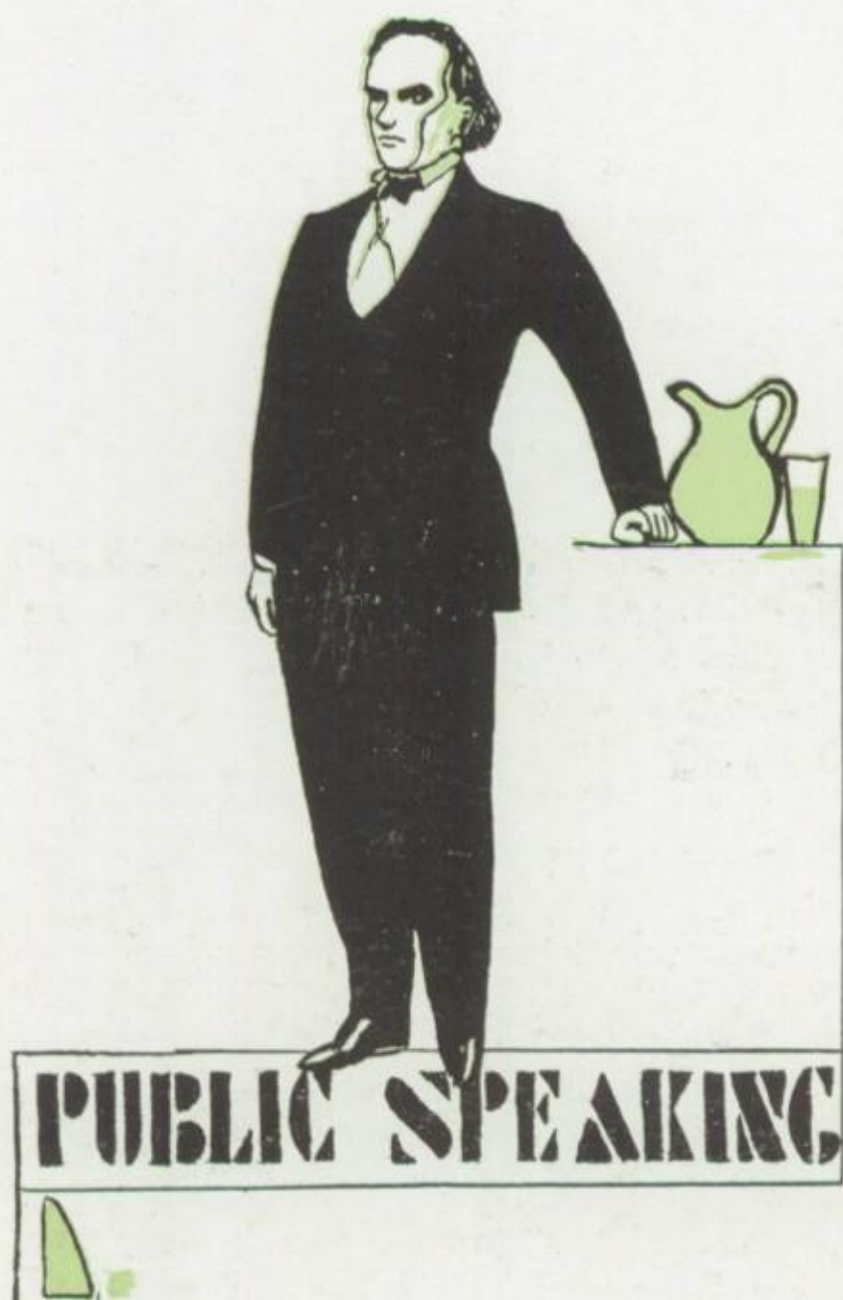

During the year there was a contest to which journalistic students were eligible. One Danville participant, Martha Ann Morton, received honorable mention in the Quill and Scroll magazine.

It is the purpose of the society to further and influence a greater interest in journalism among high school students.

<i>Chairman Program Committee</i>	MICHAEL SALDINO

The Wranglers' Club is the D. H. S. literary organization which sponsors all activities relating to debating, oratory, extempore, and dramatic reading. When the club was first organized, it devoted its regular meetings to debating almost exclusively. Since then various other forms of literary activity have been taken over by the club until now the yearly program offers experience for all.

The President of the organization must be an honor Wrangler or one who has participated in Varsity debating, the finals of Inter-class debating, or who has been a representative for the school in the interscholastic literary events.

The Wranglers have also sponsored many assemblies during the year; one of the most successful being that held in honor of Illinois.

Another of the special functions of the club during this year and past years was the holding of the inter-class debates. This is a fine beginning field for varsity debaters and some good material is often produced. The Big Twelve Conference held at Springfield served as a fitting climax to a successful year.

OFFICERS AND ADVISERS

Back Row—Miss Sandeson, Adviser, Harvey Acton, John Stipp, Henry Baum, Mr. Purky, Adviser.
Front Row—Oliver Marshall, Michael Saldino, Ted Liese, Earl Chambers.

The Varsity Debates

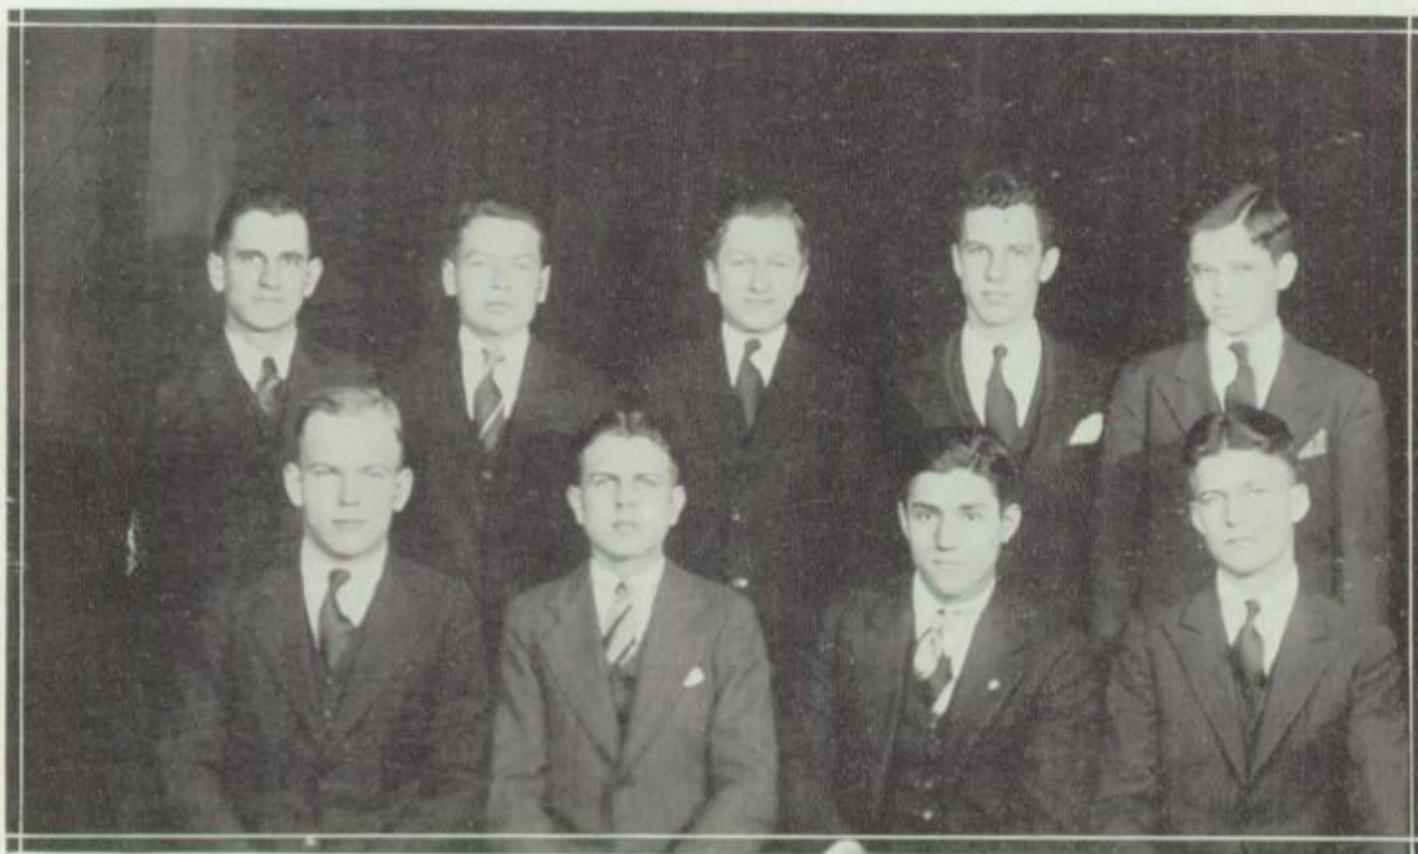

The subject for the Varsity debates for the year 1930-'31 was, "Resolved, That Chain Stores are Detrimental to the Community." Seven minutes were allowed the speakers for constructive arguments and three minutes for a rebuttal, the concluding speaker having the privilege of five.

The teams began their competition by Danville's negative, composed of Earl Chambers, Hugh Benninger, Elmer Cooke and Carroll Snyder, alternate, engaging Wellington's affirmative there, on March 3 at 7:30 P. M., in the high school auditorium. On March 4 at 4:00 P. M., the affirmative composed of Michael Saldino, Henry Engel, Harvey Acton and Lincoln Richardson, alternate, competed with Wellington's negative here, in D. H. S. auditorium. No decisions were given in these contests as they were both practice debates sponsored by the Wranglers' Club.

The activities of the Varsity in the Big Twelve contests were in the form of a triangular debate with Champaign and Urbana. On March 17, Champaign's affirmative was defeated by Danville's negative in our auditorium, the points being three to two by the judge, Professor Phillips of Wabash. On the following day, Danville's affirmative defeated Urbana's negative at Urbana High School, the points being four to one by Miss Mary Whiteford of the University of Illinois.

This double win on the part of Danville gave them the Triangular championship for this district. A semi-final schedule of eliminations for the Big Twelve Debating contests is to be worked out by Miss Ellen M. Rourke of Springfield High School, and Danville will be one of the competitors.

AFFIRMATIVE AND NEGATIVE DEBATE TEAMS

Back Row—Mr. Purkey, Coach; Hugh Benninger, Earl Chambers, Elmer Cooke, Carroll Snyder.
Front Row—Harvey Acton, Henry Engel, Michael Saldino, Lincoln Richardson.

The Inter-Class Debates

The subject for the Inter-class debates for the year 1930-'31 was, "Resolved, That the United States government shall compel all industries to maintain unemployment insurance to be financed by the employers, employee, and government."

From the tryouts, three speakers were chosen from each class to make four teams. The teams were composed of three members, two for constructive arguments and the third speaker giving the rebuttal.

The debating began with an elimination debate between two Freshman teams. The winners, Alden Bracewell, Oliver Marshall, and George Trenary, were to represent the Freshman class in the final battle. Next, the Junior team, composed of Lincoln Richardson, Mildred Siefert, and Carroll Snyder encountered the Sophomore team, made up of Geneva Allen, Hugh Benninger, and James Currie, and defeated them. In the next debate, the Juniors forfeited the decision to the Senior team composed of Blanche Landman, Dolores Poll, and Eldon Smith. Through these eliminations, the Seniors, supporting the negative, were given the right to debate the Freshman affirmative in the auditorium on March 17 and won the decision by a three to two count.

Much effort was put forth by all the contestants to make these debates successful. They showed good preparation, effective delivery, logical argument, and ability to hold the attention of the audience. The Wranglers' Club should be congratulated for the enthusiasm which they instilled in the student body during these various contests.

INTER-CLASS DEBATE TEAMS

Back Row—Mildred Siefert, Carroll Snyder, Lincoln Richardson, Dolores Poll, James Currie, Eldon Smith, Hugh Benninger, Blanche Landman, Geneva Allen.

Front Row—James Gough, George Trenary, Helen Brewer, Virginia Hendrick, Oliver Marshall, Alden Bracewell.

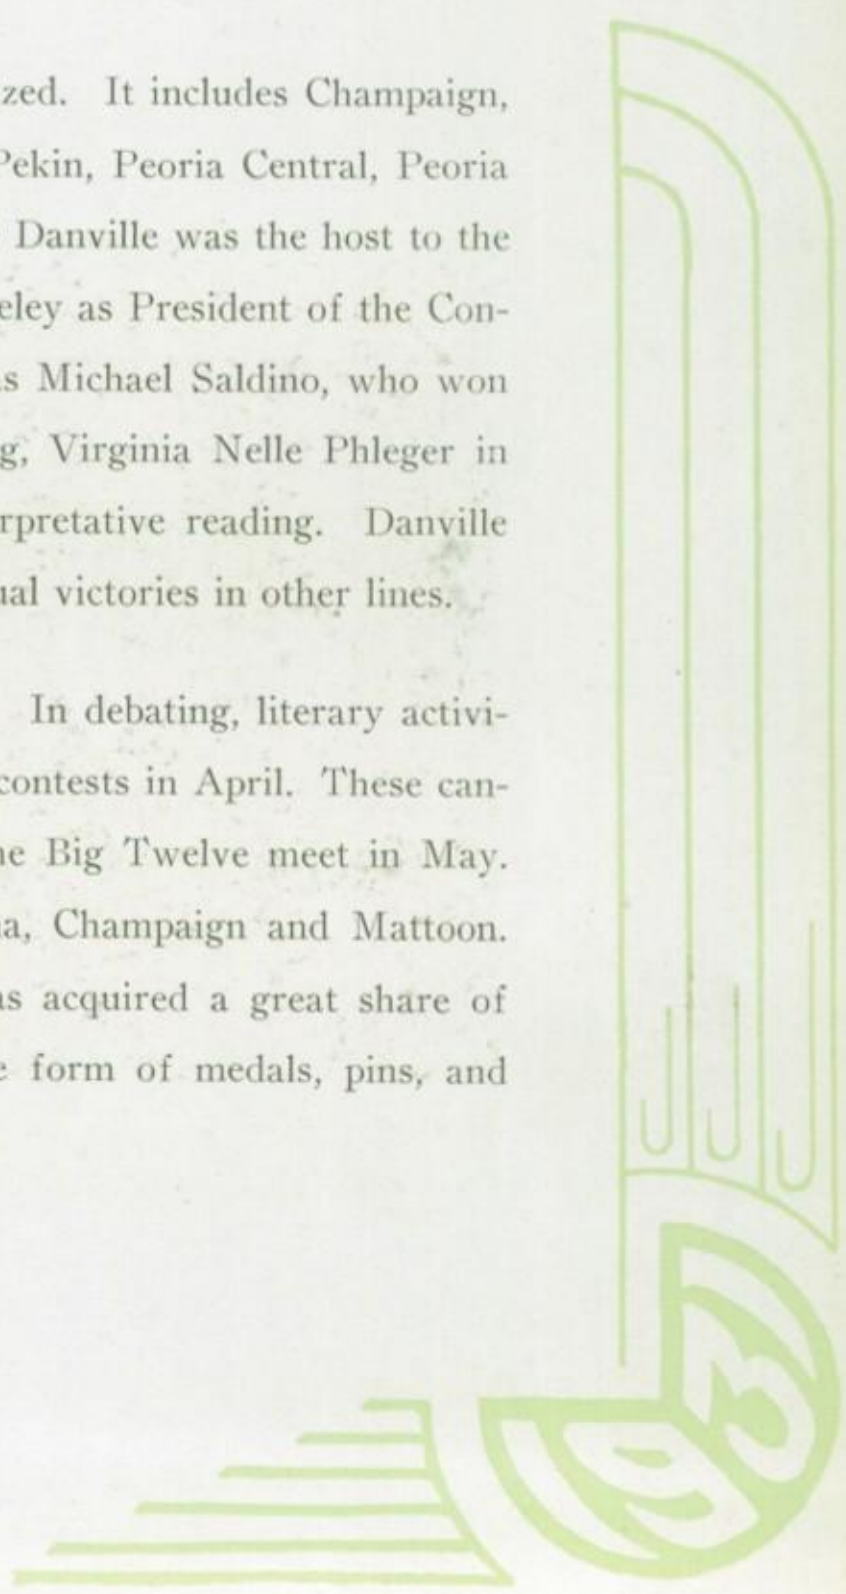

Literary Events

The history of D. H. S. literary activities has covered many stages. For years the system was that of meeting any school that desired an interscholastic contest. Later district and county meets were held. The county was divided into several districts, usually including three or four high schools of Vermilion County. The winners of the district met at the county contest in June. This prevailed for track, Glee Clubs, oratory, dramatic reading, and extempore speaking.

In debating Danville for years met Urbana in a dual debate. Often other large Illinois schools and sometimes Indiana high schools sent teams. In literary activities Danville candidates competed at the Charleston Normal meet. The list of winners during the many years is an interesting one for most of the schools in Central and Southern Illinois were entered.

In 1924 the Big Twelve Conference was organized. It includes Champaign, Danville, Decatur, Jacksonville, Lincoln, Mattoon, Pekin, Peoria Central, Peoria Manual, Springfield, Streator and Urbana. In 1930 Danville was the host to the schools which met here May 2 and 3 with Mr. Wakeley as President of the Conference. The Danville representative in oratory was Michael Saldino, who won second place, Earl Chambers in extempore speaking, Virginia Nelle Phleger in Dramatic Reading, and Vera Lois Wallace in Interpretative reading. Danville won first in Boys' Glee Club and there were individual victories in other lines.

In 1931 a change in the organization occurred. In debating, literary activities and music there were three district elimination contests in April. These candidates then met other district representatives at the Big Twelve meet in May. This year Danville was in the district with Urbana, Champaign and Mattoon. Danville has been proud of its past record and has acquired a great share of honors in various fields. Awards are made in the form of medals, pins, and special recognition.

Craftsmanship

The typographer who senses the subtle characteristics of Typographic design, in both lettering and ornamentation, will assuredly experience a joy in the composition of unique printed pieces which carry a new note of handiwork and craftsmanship that stands quite apart from the monotonous deadness of the prevailing conformity to tradition. Such work is always very refreshing and is of more than ordinary benefit to the business that it serves

The Interstate Printing Company

Is fully prepared to supply the advertiser or user of commercial printing, who seeks something out of the common in typography that portrays a quality characteristic of the subject, or to make a typographic style strikingly different from the usual kind that you receive

BUTLER : : FLORIST

Phone 626 101 E. English St.

English Instructor: Albert, I want you to tell me how to define ignorance.
Al: It's when you don't know something and some one finds it out.

Cross and short-sighted Old Lady (in antique shop): And here, I suppose
is another of the horrible portraits you call "art".

"Excuse me, madam," said the shopkeeper quietly, "but that is a mirror."

What is the meaning of burning the midnight oil?

Answer: A fifth subject, 14th amendment, part in the senior class play, or
member of Medley Staff.

An example of the fresh water mussell was asked for.

Student (prompting the one reciting): Say hard-shelled Baptist.

Jim: May I have the next dance?

Dot: Yes, if you can find a partner.

Traveling Man (to depot agent): "Can I catch the train?"

Depot Agent: "Don't know. Depends on how fast you can run. The train
left about five minutes ago."

Alden: "A Sophomore is a guy who waits for a Freshman to come along
and push the revolving door."

Movie Director: "Now here is where you jump off the cliff."

Bob Oswalt: "Yeah, but suppose I get injured or killed?"

M. D.: "Oh, that's all right; it's the last scene in the picture."

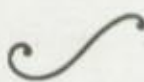

S U C C E S S . . .

Success is builded upon Training, Ambition, and Character. The young man or woman who is now on the threshold of a business career who starts with these principles and follows them through life is not going to fail.

The great financiers of today are men who started in life with very little of this world's goods, but fired by ambition and an ideal they carried on meeting and conquering all obstacles until finally they reached the goal of financial success. All of these men practiced thrift and acquired the habit of saving—early in life they formed a banking connection by opening a checking or savings account. They eagerly sought the advice and counsel of their Banker on all their problems—in this way the cornerstones were laid for the great financial structures of today.

Young Man—Young Woman!! the business world is seeking talent—opportunity is at your door, reach out and grasp for the success just ahead. Start right by making a banking connection, open a checking or a savings account or buy a bond. Go to your banker with your problems and you will be surprised at his interest in your welfare; follow his advice and you will have mounted the first step on the ladder reaching to success.

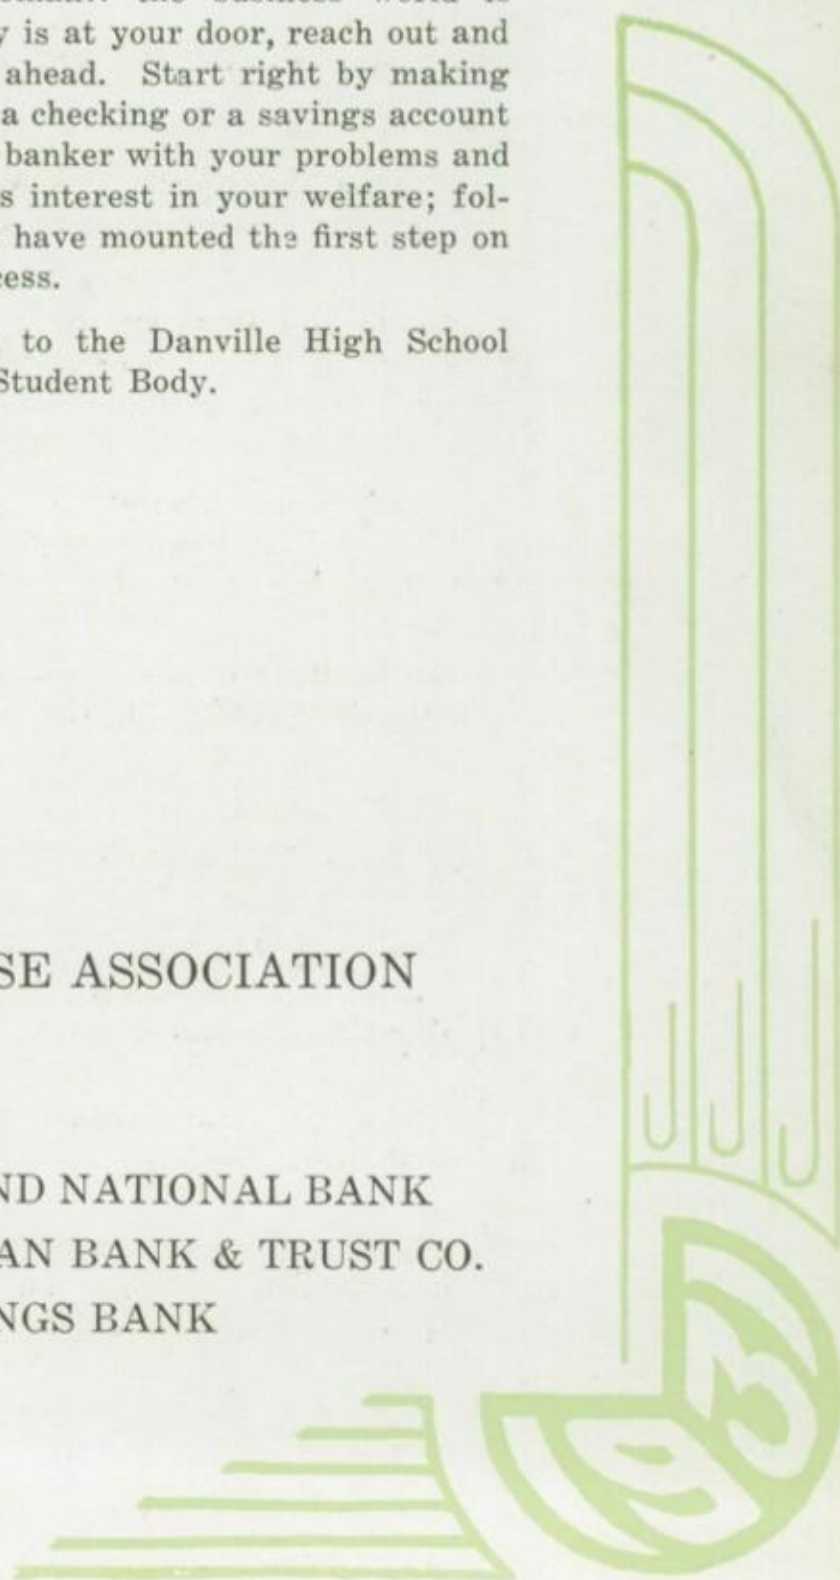

Our Greetings go forth to the Danville High School Faculty and to the entire Student Body.

Miss Haviland: "Define the middle ages."

Jane: "They used to be 30 to 45, now they're 50 to 70."

Felix: "Did you hear about the traveling salesman who died?"

Joe: "No, shoot."

Felix: "He left an estate of 500 towels and a hotel key."

Wanted: A good excuse to go to Urbana.—Marjorie Gibson.

Minister: "In the times of trials
what brings us the greatest comfort?"

Lewis Barrick: "An acquittal" (he
shouted from the back row).

Lucinda: "Do you file your finger
nails?"

Virginia: "No, I just throw them
away after I cut them off."

Freshman (explaining how a stovepipe is made) : First you take a big, long hole, and then you wrap some tin around it.

Surgeon: "I'll sew that scalp wound for \$100.

Bob G. (after Lincoln football game) : Gee, Doc! I just want plain sewing, not hemstitching and embroidery.

Patron: Do you serve fish here?

Waiter: Certainly, we cater to everyone.
